# Class History

Dear Classmates,

I wonder whether you really remember all the things that have happened to our wonderful class. Well, if you don't just listen for a little while and we'll refresh your memory.

As we boarded our Rocket Ship "Green Freshman" and began our four year mission through the satellite Centralia High School, we accepted Barbara Adkisson as Commander and Gary Stowers as Lieutenant Commander. Beverly Decker was Chartkeeper and Virginia Dollens took care of our finances. As Navigator we were happy to have Mr. Gibbons and Mr. Reed. Elected as "B" team cheerleader this year was Rosemary Angell. Virginia Dollens and Eddie Gladney took part in the Hope Medal Contest. At Homecoming ceremonies we were very proud to have Barbara Adkisson as an attendant to the queen. The Freshman class had two winners in the annual Beauty Pageant. Beverly Decker was chosen "Miss Stature" and Virginia Dollens "Miss Smile." The first part of our mission was over and we stopped and let off quite a few passengers. Those being Jane Durk, Lavern Silvers, Marilyn Hunt, Martha Kysar, George Cottingham, Virginia Groves and Ralph Saylor.

We were delayed for quite a time and finally boarded our second ship "Silly Sophomore." Crew Members for the second part of our journey were Commander Larry Megown, Lieutenant Commander Gary Stowers, Chartkeeper Barbara Adkisson and Areta England took charge of money matters. Our Navigators this flight were Mr. Gibbons and Mr. and Mrs. Olson. Rosemary Angell was again elected "B" team cheerleader and this year Beverly Decker and Sharon Jennings joined her. Don Bowman honored our class by winning second place in the Hope Medal Contest. Barbara Adkisson also participated. During this flight the class selected Gary Stowers to make the Sophomore Pilgrimage. We really rated high at Homecoming. Barbara Adkisson was honored as queen and Beverly Decker was one of her attendants. During this time Wanda Jones joined our flight to stay while Jim Hudson, Finley Adkisson and Kay Winterhalter came but left before the trip was over. Again we rated tops. This time in the Beauty Pageant. Beverly Decker was crowned "Miss Centralia," Barbara Adkisson "Miss Personality" and Sharon Jennings "Miss Stature." The time rolled around again and it was time for our three month rest. This time we again lost quite a few of our members. They were Bill Herbert, Shirley Kysar, Hattie Meeks, Jim Cottingham, Carol Amman, Don Carey, Thelma Huff and Donald Toalson.

The time soon flew by and it was time for us to choose our ship again. This time we boarded the "Jolly Junior." Elected as our crew this year were Sharon Jennings Commander, Barbara Adkisson, Lieutenant Commander, Areta England Chartkeeper and Delores Botkin took charge of financial matters. Navigators for the year consisted of Mrs. Bailey, Mrs. Houston, Mr. Walsh and Mr. Brubaker. Joining us this year were Gordon Ferguson, Harold Couretton, Ralph Mika, Bill Musser, and Barbara Mortimer. Mike Mosby joined the group for awhile but left again. This year Carol Smith was elected "A" team cheerleader. For Boys' State, Miller Owings was selected with Gary Stowers as his alternate. Tommy Travis was also selected but was unable to attend so the honor went to Bob Jerman. For Girls' State Beverly Decker was selected with Joyce Peck as her alternate. Barbara Adkisson was also selected but was unable to attend so the honor went to Carol Smith. Again we were honored at Homecoming when Sharon Jennings was made queen and Joyce Peck as one of the attendants. In the Hope Medal Contest Carol Smith won first and Eddie Owings placed second. As this was the year of the Centennial, we chose as the theme for the prom "The Golden Nugget." The program was really a success. For the third time the flight had come to an end and this time we only lost three members, those being John Bowers, Jean Burks, and Elmo Reams. The third part of our flight was now ended and we were waiting for our next and last ship.

Again it was time to board our ship. This time being "Sophisticated Seniors" and make the last journey. Two new passengers joined us at this time. They were Jan England and Don Thurston. To run our ship this important year we elected Gary Stowers as Commander and Areta England as Lieutenant Commander. Chartkeeper was Barbara Adkisson and Larry Megown handled the money. Our Navigators for the trip were Mr. and Mrs. Kerr and Mr. and Mrs. Olson. Three

members dropped out before the flight was very far along. They were Virginia Yager, Jon Trumble, and Harold Coureton. Another new feature this year was the Honor Society. We were very proud to have six members in this group. Included were Beverly Decker, Areta England, Mary Ann Stephens, Sharon Jennings, Gary Stowers and Miller Owings. Cheerleaders for the year turned out pretty good we thought because the student body elected four Seniors for "A" team positions. Carol Smith was re-elected and Beverly Decker, Rosemary Angell and Sharon Jennings joined her. At Homecoming ceremonies Rosemary Angell was named attendant to the queen. This year at the Hope Medal we only had one participant. Virginia Dollens did well for us, however, by winning second. The time finally rolled around for the annual Beauty Pageant and were we ever proud. Four Senior girls won trophies this year. Barbara Adkisson "Miss Eyes," Carol Smith "Miss Personality", Sharon Jennings "Miss Poise" and Areta England "Miss Hair." In Football fame this year Larry Megown, Tom Travis and Allen Harper made All-District first team. Larry Megown was also given All-State Honorable mention.

Well that's the way it goes, or should I say went. Anyway its all over now and all we have left is memories. I sure hope we helped make those memories a little more pleasant for you in the future.

Your friends and classmates,
