PROFILES

Realizations of today have dawned
into tomorrow's--
And friends have faded into yesterdays.
These things, and more--
Scamper across our minds.
The Jr. and Sr. Prom, that "Big Game",
and all of those horrible tests,
Always leave room for that special group
at your lunch table, or
your favorite gym class, guy, or girl.
Whether the roads are blanketed with snow
or skimming with sunshine.
They will always be pathways to
memorable profiles.

CLASS SONG
FREEBIRD
RECORDED BY:
LYNYRD SKYNYRD

If I leave here tomorrow
Will you still remember me
For I must be traveling on now
Cause there's to many places I've got to see
But if I stay here with you girl
Things just couldn't be the same
Cause I'm as free as a bird now
And this bird you cannot change
Lord knows I can't change

Bye bye it's been a sweet love
Though this feeling I can't change
But please don't ask it so badly
Cause the Lord knows I'm to blame
But if I stayed here with you girl
Things just couldn't be the same
Cause I'm as free as a bird now
And this bird you'll never change
And this bird you'll never change
Lord knows I can't change
Lord help me I can't change

Oh, that's cold!

Who me?

Richard Red-eye.

You sexy thing!

Some flaky students of CHS.

I've told you time and time again.

I can't take any more.

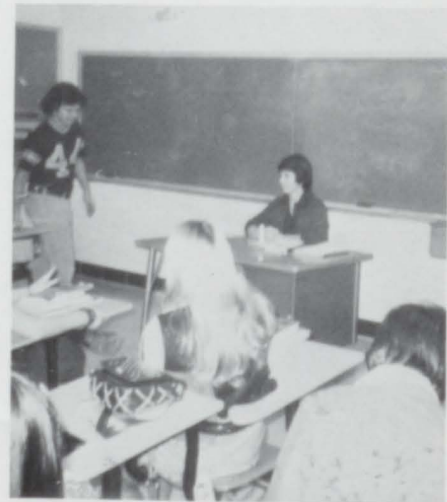

Listen while you work.

Are the halls clear?

Do the hustle!

A new teacher ?

Where are you going after graduation?

How about into a promising job in electronics? Airport service? Or sea-going engineering?

These are just a few of the more than 70 different career fields Navy training offers.

If you can make the grade.

Training for skills to build a great future.

Using your hands. Your mind.

Leading others. Being responsible for your own job.

It's tough work. And there are daily chores, too.

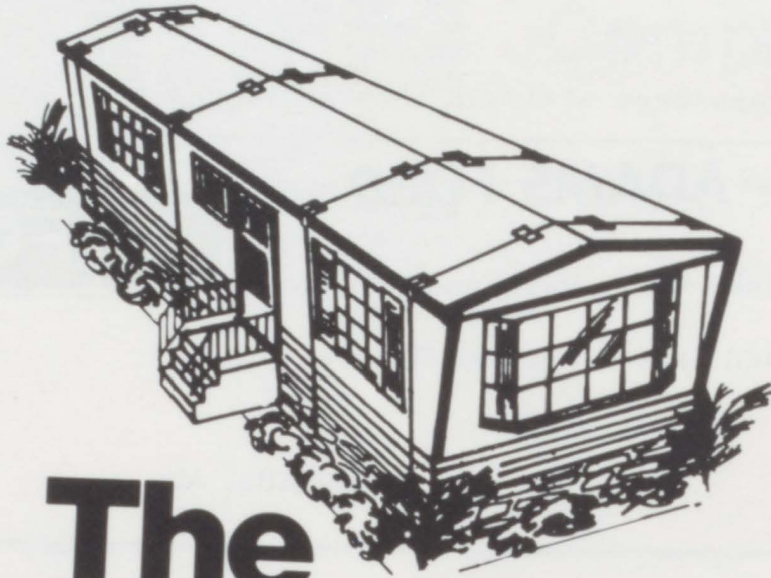

But there's more to Navy life. Plenty more.

Travel. Good times. Lifelong friendships.

And if you sign up now, you won't have to report for up to six months. Or even nine months, if you qualify for a school program.

Want to go places after high school? Talk to your Navy Recruiter.

Be someone special. Join the Navy.

TAXES UP? TAXES DOWN?

HERE'S WHAT MFA HAS BEEN DOING TO HELP HOLD THE LINE ON STATE TAXES.

Pictured here (L-R) are Bob Maupin, MFA, Dick Rabbitt, Speaker of the Missouri House, Bill Cason, President Pro Tem of the Missouri Senate and Clell Carpenter, MFA.

We've been spending a lot of time in Jefferson City lately working with the Missouri legislature on tax bills that help hold the line or actually reduce your taxes.

Here's what we mean:

The legislature has passed and sent to the Governor a bill that would exempt farmers from having to pay city sales tax on farm

machinery purchases within a city. If signed by the Governor, this important bill will become law on October 13, 1976.

MFA has also supported action which would prevent the lowering of requirements for passage of general obligation bonds from a two-thirds majority to a simple majority. MFA feels lowering the passage requirements would not be in the best interests of Midcontinent farm families.

In addition, MFA has supported the so-called "Open Window" bill. This simply means taxpayers

must be given a preview of local governmental budgeting and tax setting practices by requiring local governments to give notice and hold a hearing before setting tax rates. The legislature has passed this bill and presented it to the Governor for approval.

Your MFA is constantly working on your behalf to help influence national and state lawmakers to pass legislation which benefits you. It's just one reason MFA stays "one step ahead."

PANTHER BOOSTERS

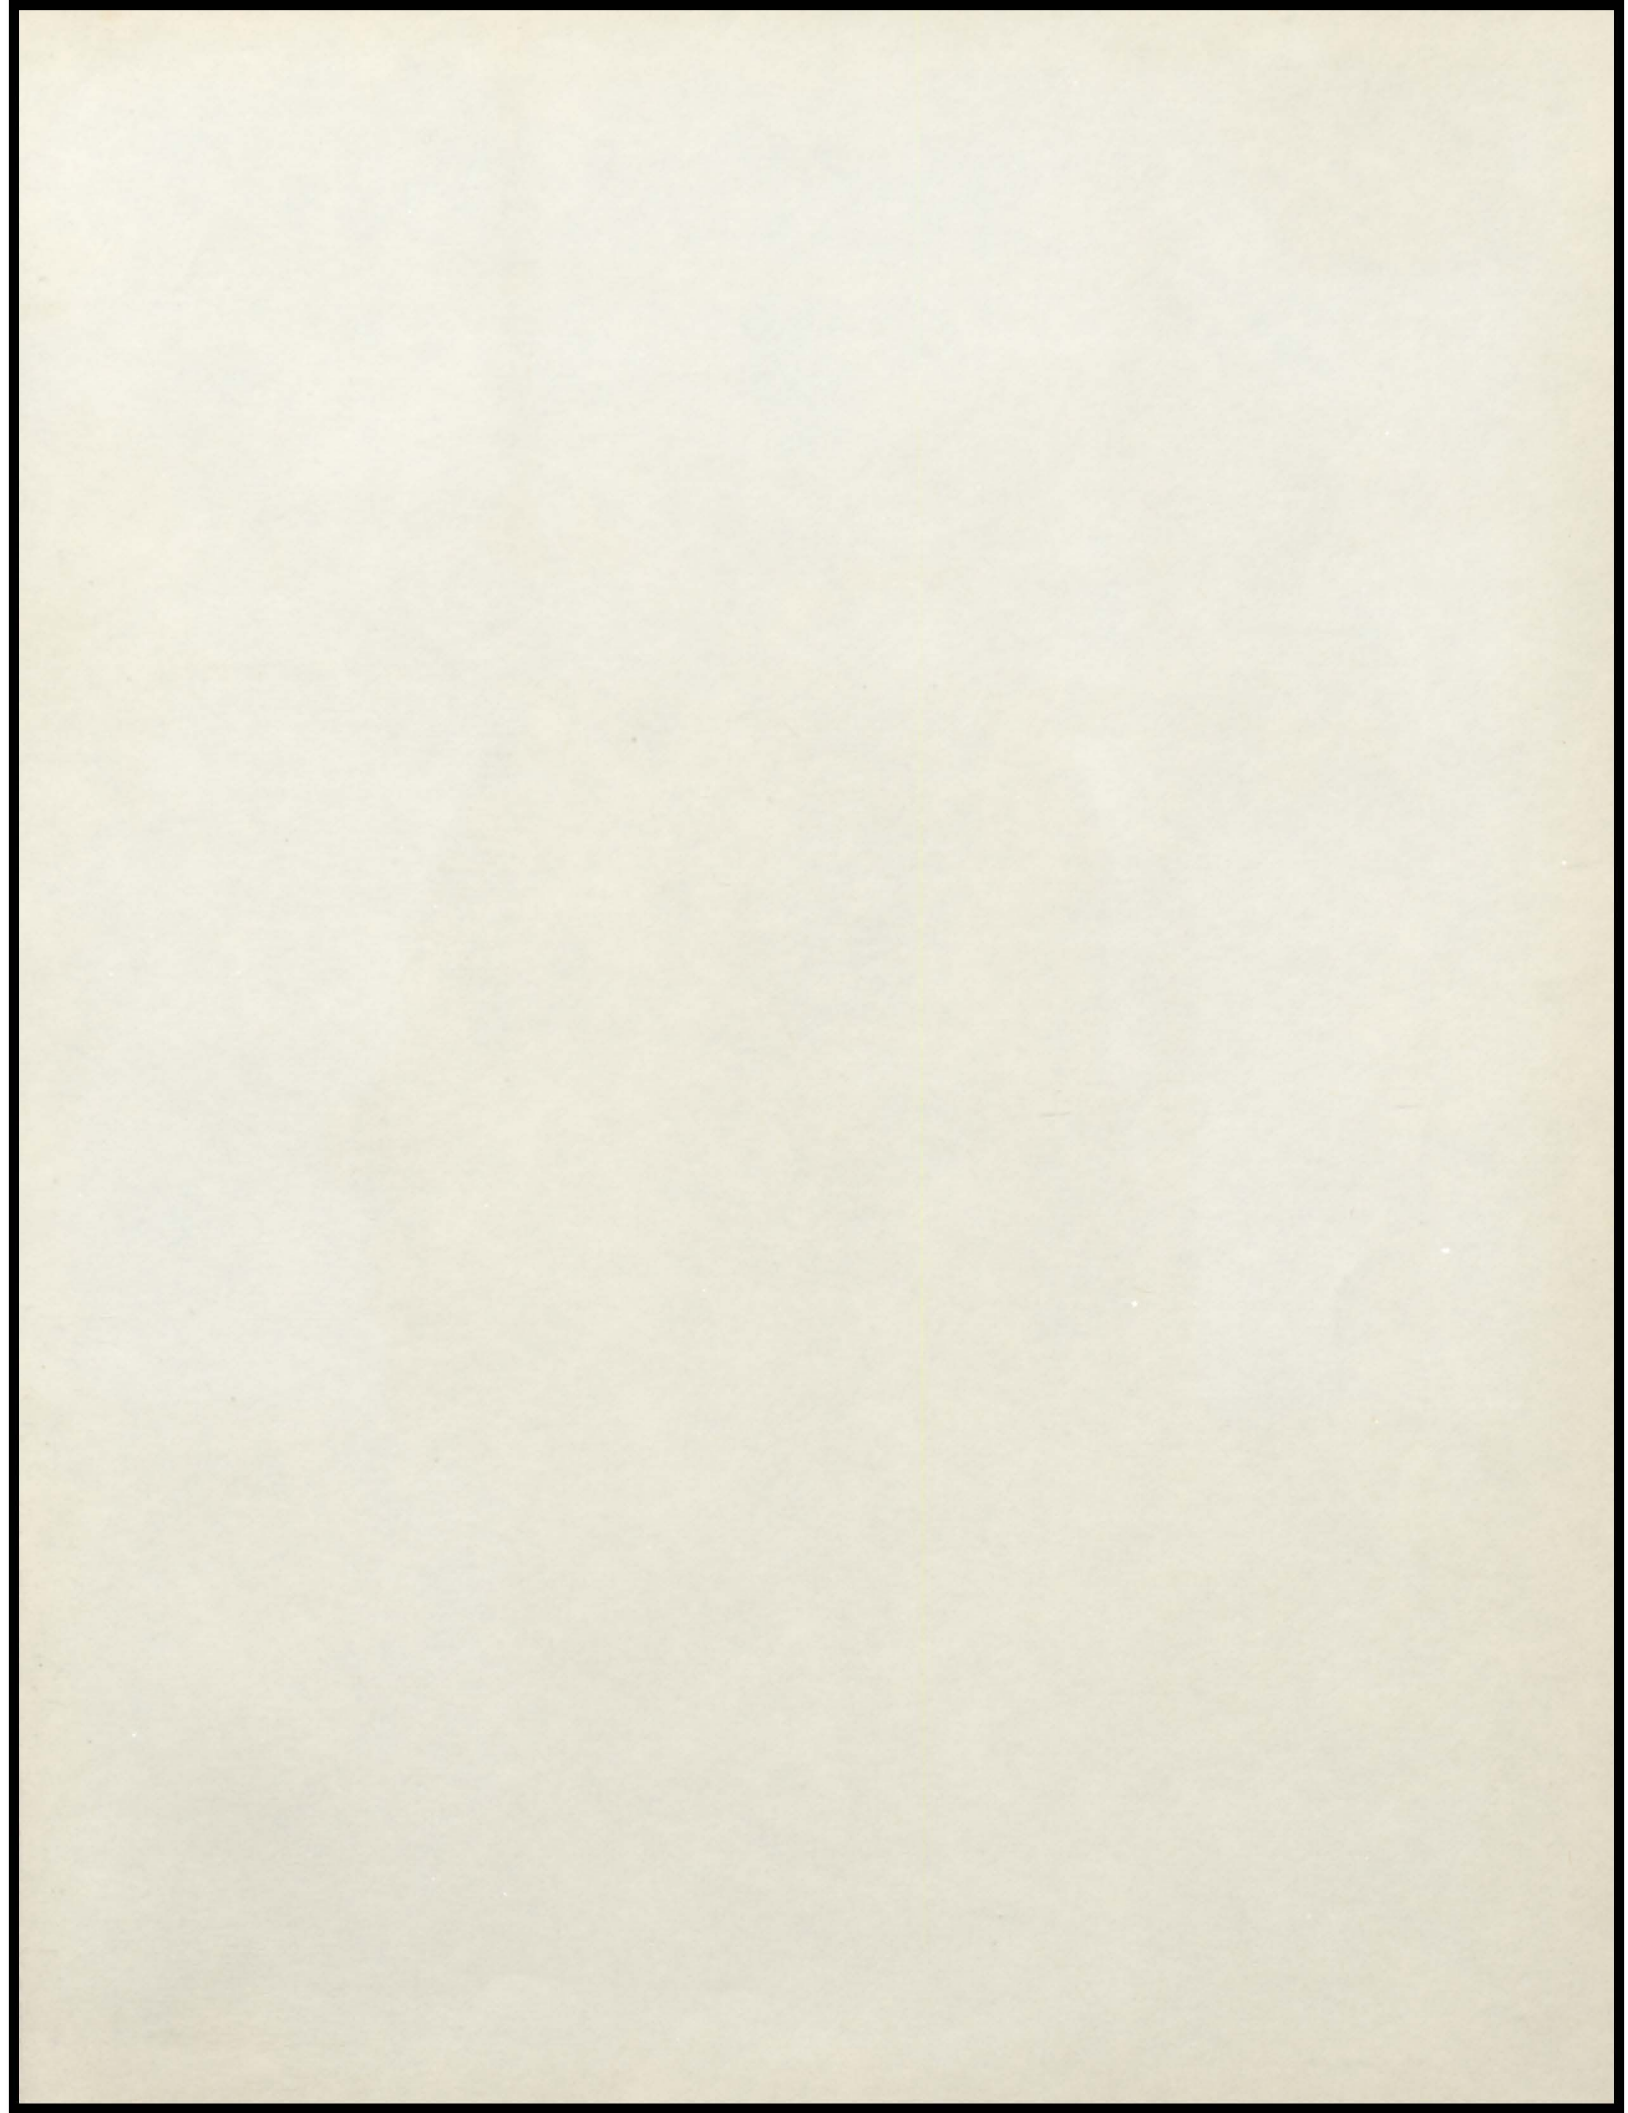

We support the Centralia Panthers by working at concession stands and serving meals at basketball tournaments and track meets. With this money, we have bought girls' basketball traveling uniforms, girls' track uniforms, boys' basketball blazers, middle school basketball warm-up jackets, a walkie-talkie headphone set for the football stadium, cheerleading football skirts, and patches for letterjackets. Support your team!

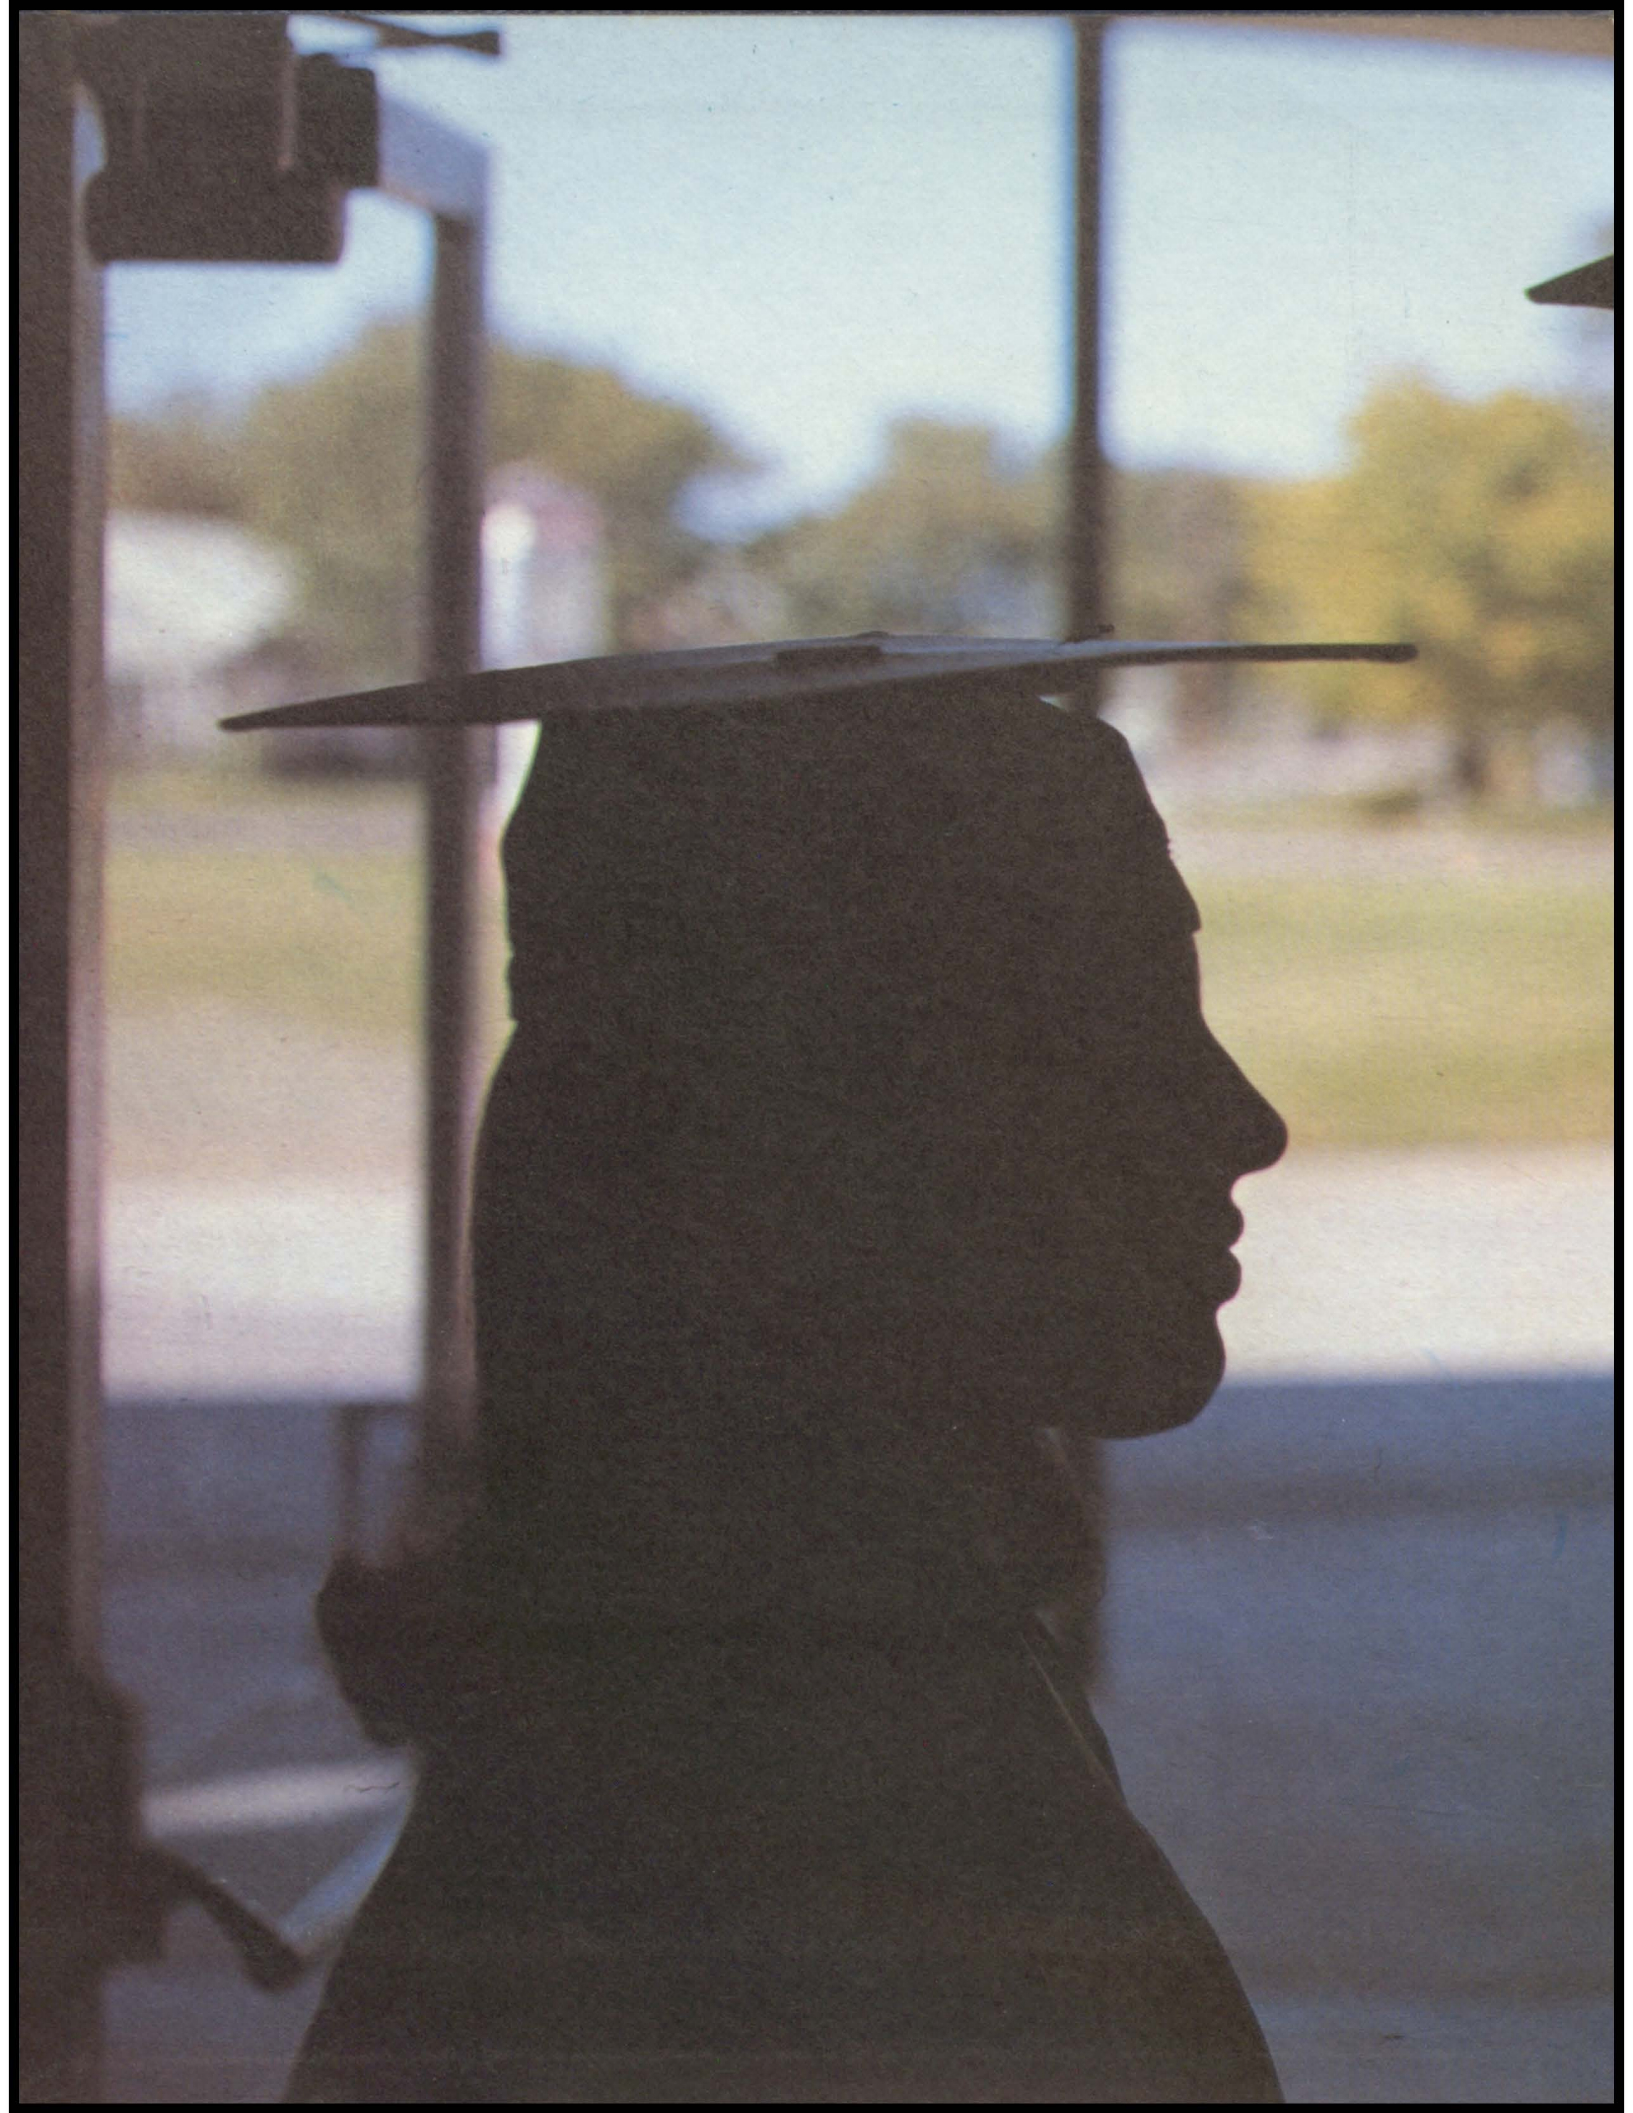

That's our business !
