Both Sides Now

Bows, and flows of angel hair,
and ice-cream castles in the air,
and feathered canyons everywhere,
I've looked at clouds that way.
But now they only block the sun,
They rain and snow on everyone.
So many things I would have done,
but clouds got in my way.
I've looked at clouds from both sides now,
From up and down and still somehow,
it's clouds illusions I recall.
I really don't know clouds—at all.

Moons and Junes and ferris wheels,
the dizzy dancing way you feel,
as every fairy tale comes real,
I've looked at love that way.
But now it's just another show,
You leave 'em laughing when you go.
And if you care, don't let them know,
don't give yourself away.
I've looked at love from both sides now,
from give and take, and still somehow,
it's love's illusion I recall.
I really don't know love—at all.

Tears and fears and feeling proud,
to say "I love you" right out loud,
dreams and schemes and circus crowds,
I've looked at love that way.
But now old friends are acting strange.
They shake their heads, they say I've changed.
But something's lost, but something's gained,
in living every day.
I've looked at life from both sides now,
from win and lose and still somehow,
it's life's illusions I recall.
I really don't know life—at all.

Centralia Students

Dear School,

I think there is only one way of describing my year here at Centralia High School and that is "absolutely fantastic." I remember when I first arrived walking down the corridors wondering whether I could ever feel any real affinity for the strange faces that flooded past me. Now, as I come to the end of my year, I wonder how I am going to leave the friends I have grown to love.

For me, like Huck Finn or Tom Sawyer, this year has been an adventure and, like them, I have also found treasure—not gold, or coins, or diamonds, but wonderful memories which will stay with me forever. I will never forget playing on the white team in our GAA powder-puff football game (we lost, but I sure got a beaut black eye out of it). Then, there were the concerts which the music department put on during the year and the musical "Anything Goes." It's a good thing they called it "Anything Goes" because some of my dance steps were just a little different. Then, of course, there was basketball during the winter. I must say I did enjoy those steaks at the Gaslight.

I think the funniest thing that happened to me was Dr. Boren and Dad Ingrum's graduation joke (I did not know school supervisors were such good actors). Then there was the foreign language club field day to Columbia (that was super), my art classes, AFS week, snow days, lunch table parties, sock hops . . . I think I could go on forever, but I've got to end somewhere.

Before closing I would like to thank everyone at Centralia High School or making this year what it was (as the cheerleaders would say): "Number one and Super Great!"

Finally, to all you seniors, good luck in your new pursuits. You may not be running away to be a riverboat pilot, but I hope your life is as equally exciting.

Well, good-bye for now,
Love,
Kiwi Jo.

Enjoy AFS

Another year goes passing by
 Another prom is here,
 To some this brings a joyous smile,
 To others, brings a tear.
 For four years you have tread a path
 from dawn to setting sun,
 But now the path gets steeper,
 And the climb is just begun,
 We're very glad to know you,
 We'll miss you when you're gone.
 And to the
 Class of '77
 We dedicate
 Our prom.

Centralia Golfers Tee It Up

FRONT ROW left to right: Kory Waisner, Steve Green, Chuck Flink, Brian Johnson, Coach Bill Ray. 2nd ROW: Vickie Mortimer (manager), Phil Magley, Ray Keplar, Brent Fadler, Bill Bosch. 3rd ROW: Paul Johnson, Doug Pemberton, Joe Jesse. BACK ROW: Ernie Wren, Bobby Reeves.

Palmyra Invitational Tourney winners: Steve Green, Kory Waisner, Chuck Flink, Ray Keplar. This was one of the sweetest victories of the year for the Panther golfers, who upset heavy favorite Palmyra on their own course. Flink led the Panthers with a 75.

Centralia golfers fared very well this past season, highlighted by winning the conference crown. Junior Steve Green paced the Panthers with an even par 36, and captured medalist along with a spot on the All-Conference team. Teammates Ray Keplar and Chuck Flink were also honored. Keplar was named to the 2nd team and Flink was named to the Honorable Mention team.

Coach Bill Ray assumes his usual pose.

Productive First Season For New Panther Coach

The Centralia Panthers came out with a new twist this season in the form of a new coach. That man as Mr. Bill Ray, and he assumed a tough job.

He started with a new technique, along with a lot of heckling, but evidently he knew what he was doing. The Panther golfers finished with an over-all record of 47-8, and one of the finest performances in years.

Included in that 47-8 record were victories in the Palmyra Invitational Tournament, the Clarence Cannon Conference championship, a perfect home record of 9-0, and a conference record of 10-2.

Even with all these accomplishments, the golfers suffered a big disappointment in the final meet of the year. Their hopes of going to State competition were dashed when the Panthers missed out on placing in District by one stroke.

Team prankster, Ray Keplar, flashes a grin for the camera.

FAR LEFT: girls track warm-ups
CENTER: boys cross-country warm-ups
ABOVE: boys wrestling uniforms

On this page are a few of the items the Panther Boosters bought for our athletic organizations. Not pictured are the girls basketball blazers and boys track warm-ups. They work very hard to make money for these projects. The Panther Boosters, a worthwhile organization, support our school and athletic teams through many activities. We would like to say "Thank You" to all PANTHER BOOSTERS.
