Movies, Movies!

The 1982 Homecoming festivities began on Monday, September 27, continuing on through Saturday, October 2. The social activities committee of Student Commission strived to get students more involved and enthusiastic in this year's Homecoming.

Monday was Hug - a - Football - player day; Tuesday was Twin Day; Wednesday was Autograph T-shirt day; Thursday was Dress - like - a - movie star day; and Friday was Black Magic Day.

Float building took place every evening during the week, concluding on Thursday. The annual flashlight parade and bonfire began at the high school, Thursday night, at 7:30 p.m., with a march to the city square where the queen and Mr. Panther candidates were announced. Everyone returned to the high school for a pep rally and bonfire, after Jack Chance, parade marshal, spoke briefly to the crowd.

The Panthers clashed with the S. Shelby Cardinals at 7:30 p.m., Friday evening, and were defeated with a score of 27-15. During half - time, Penny Johnson was crowned the 1982 Homecoming

queen; she and her court — Malin Kuhn, Julie Shellabarger, Debbie Barnes, and Glenda Jerman, along with their escorts, presided over the game.

The Homecoming dance was highlighted by Quadra Sound from 8:00 p.m. to 11:00 p.m., Saturday, October 2. Mr. Panther, Jim Forrest, was announced at the semi - formal dance.

The winners of the Homecoming activities were the juniors for pac-man creatures and for the M&M guess, Darren Sebastian. The first place winners of the float contest were freshmen, second were juniors, seniors had third, and sophomores last.

Seniors were victorious in hall decorations with sophomores second, juniors third, and freshmen fourth. The freshmen won in the point sum, thus winning movie passes to the Mexico Cinema III.

Spirit Sets in From Day 1

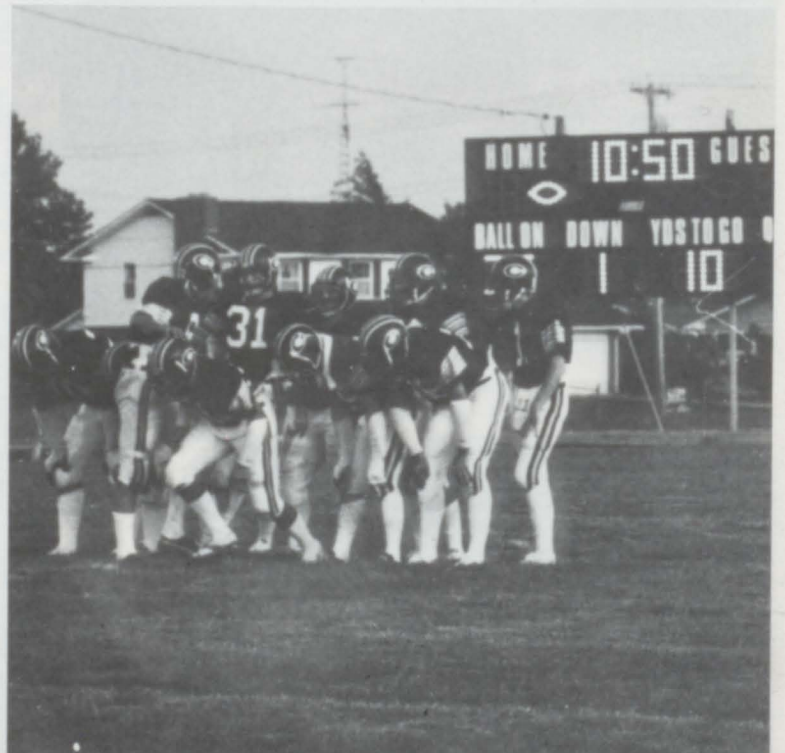

Monday, August 23, marked the beginning of the 1982-83 school year. Starting off the day, Mr. McEntire talked to the student body on rules and regulations. He also introduced each teacher, telling which classes he or she taught. He recognized the new teachers, who are Mrs. Adams - foreign languages; Mr. Andes - vocal music; Mrs. Davenport individualized instruction; Mrs. Freind - mathematics; Mr. Gates - vo-ag and FFA advisor; Mrs. Loyd - librarian.

Following our principal's speech, Marilyn Davenport and Penny Bloss, Sto-Co representatives discussed their plans for the up-coming school year.

The first and second dances of the year were deejayed by Ken Kessler. Crowds of 150 students and guests showed up for both dances, which lasted from 9 pm-11 pm.

The varsity football team won 2 and lost one, including an opening Conference win at Macon, 21-14. Centralia beat California 6-0 in a defensive battle. A late game comeback fell short at Moberly with the Panthers on the short end of a 26-21 final.

The JV and Freshmen both were undefeated with the JV record 2-0 and the Freshmen were 0-0-1. The JV was not scored upon as they defeated Macon in a rain shortened game 8-0, and topped Moberly 18-0. The Freshman tied Macon 14-14 in their only game.

BEAUTY

*Beauty touches and I freeze; then it's lost amidst the trees.
Beauty caresses and sings its song; then with a laugh is swiftly gone.
To touch beauty, one must be swift; else out of reach it shall drift.
To hold beauty, one must be strong; else it shall break your hold
and then be gone.
To contain beauty, one must be a fool; for to trap its form breaks
every rule.
Beauty trapped is beauty that dies and can't be restored for all the
tears in one's eyes.
To love beauty, one must truly see; for if one loves beauty one must
set it free.*

To Gary:

*Generations of men the world has known,
Kings and princes - our Stars have shone!
But because you, Gary lived on this earth
Our world now has a greater worth.*

*You kept perfect pace as you lived each day
With the music that you heard the Drummer play.
Time flew and wheels turned in fine tune precision,
'Cause keeping things movin' was your special vision.*

Gary McAllister

*A problem could always be overcome
As long as You had it under your thumb.
If funds or new parts could not be soon found,
With black tape or gray tape the problem was bound.*

*The Levis and T-shirts your wardrobe contained,
Whether dress-style, or school-style, or oil and
grease stained,
Only covered the guy whose smile we all knew
Let the warm heart and sensitivity through.*

*You weren't just lost in a world of gears;
You had time for animals, l'il kids and tears.
God, and your Church and your country - no doubt
Were what deep inside you were really about!*

*From the 10-speed bike to the car in the drive ...
To the grass on the lawns that you helped survive
...
To the family dear and the friends that you knew
...
All have been specially touched by you!*

*You hated for anything to come to an end -
A T. V. or bike or old car you could mend.
But our hearts are lasting! Forever we live!!
We thank God for You - for what you did give.*

*The tall green-eyed guy with the shiny full hair
Escapes our vision — but we know you're there.
As you live your reward and watch from above,
Pray we can live fully in faith and in love.*

Numbers, Fingerpainting and ABC's

*In kindergarten, we learned these
People to meet, things were new
Not only scary, but exciting, too.*

*All of a sudden we were in 4th grade
Rulers of all, we had it made
But all of that changed 'cause 5th grade came
We made more friends, but things weren't the same.*

*Everyone wandered into his own thing
Some into sports and some would sing
Friendships grew; personalities blossomed out
This time was difficult, though, without a doubt.*

*Boy met girl and girl met boy
Time went by with sadness and joy
We were scared about leaving the past
But we wanted the future to get here fast.*

*High school days, by now, were here
We somehow made it to our Soph. year
Starting to feel secure; we could really care less
Our "new life's" fun but there's a lot of stress.*

*"Treat us with respect," we used to demand
Now that we're older, we understand
"Remember whens" starting; kindergarten a has been
Even though we're almost through, it will soon start again.*

Directions

Who am I to be? Where am
I to go?
My ambitions are not clear,
my way I do not know.
There is so much to do, and
so much to see,
Yet is there time enough to
find out who I'm to be?
Which is my direction? Where
am I to go?
Which way is mine? What
path am I to follow?
Confusion has set in; the
world is in a mess,
I only hope I'll choose the
course in which I'll do my best.

Now I look around, at people
I do not know,
Some are so unhappy, they
had no time to grow.
For they were once our age
and just as confused,

They took the wrong directions;
in choosing, haste they used.
Now they aren't satisfied,
their lines are in a rut,
They regret they didn't wait,
because waiting does take guts.
Their admitted lack of courage
demands them to advise:
"Be the best you can,
make the most of your lives.
If you muddle your decisions,
you'll wonder what could have been.
So live each day to the fullest
for you'll never have that day again."

Only time will tell, as I
now know,
Who I am to be and where I
am to go.

Semi-tough Juniors Senior Football Heroines

The Powder Puff game between the junior and senior girls took place on Thursday, October 21, on the Centralia High School football field.

Stuco represented this event, and it raised a pretty good crowd despite the freezing temperatures.

Jim Forrest, Jeff Ward, and Reb Jones were cheerleaders for the senior girls team. Kent Butzin, Bruce Allen, and Scott Angell cheered the junior girls on. Junior team coaches were Phyllis Miles and Jill Gooding. The winning senior team's coaches were Bobbie Tetley and Sherri Davidson.

It was a lot of fun for everyone, and though the seniors won, the juniors made a valiant attempt, and the cheering sections in the crowd, as well as the cheerleaders, all were important in the winning.

Seniors Resurge From Fall To Finish

Throughout the senior year several college representatives came to the school to speak about the colleges they represent. Those representatives who came during the fall were from NMSU, UMC, UMR, CMSU, CMC, SWB and Culver Stockton College. As you can see, the seniors had various opportunities to

get information about colleges in the state of Missouri.

During the fall months the advanced speech class performed two skits for the Homecoming assembly and two for the Thanksgiving assembly. They also did various impromptu skits inside the

classroom. On Halloween, the students came to school dressed in costumes and performed skits during the day. They remained in their costumes for the entire day. Pictured on these two pages are some of the unique costumes worn by the students.

Band entertains at flashlight parade

The CHS band participated in several events during the fall. They had marched in Mexico on Sept. 25 at the Soybean Festival, Oct. 1 at the Centralia Homecoming parade, Oct. 9 at the Kirksville Homecoming, Oct. 23 at the Central Methodist Marching Band Contest in Fayette and on Dec. 4 at the Centralia Christmas Parade. They also played at Heritage Hall and at every football game during halftime.

The band practiced during the fourth hour, and much of the practice was done outside when the weather was nice. The flag corps is an important part of the band, and it consisted of Penny Bloss, Yvetta Roberts, Di Yager, Jill Gladney, Kathy Swiney, Mary Dzedzic, Lisa Wisdom, Lisa Smith, Sarah Mitchell and Kelly Taylor.

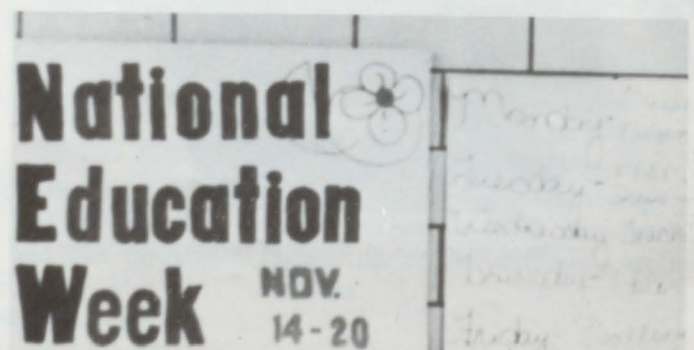

22 FTA Members Attend Leader- ship Conference

On Friday, Oct. 15, twenty-two FTA members and advisor, Joyce Loyd attended the 1982 FTA Leadership Conference at Memorial Student Union on the University of Mo. campus. Registration was held from 8:30 - 9:15 am, when hot and cold cider, coffee, and donuts were served. The general session took place from 9:30 - 11:00 am, featuring Dr. Twila Smith, from Southwest Baptist University as the Keynote speaker.

Eight discussion groups were presented to the students, and they had the option to visit whichever they pleased. Each group was presented twice, once in the morning and once in the afternoon so that the students would have a chance to observe the groups of their choice. The different groups were "The Role of the FTA Chapter Advisor", "Conducting a Meeting Using Parliamentary Procedures and the Role of FTA President", "Coping With Teenage Stress", "Cadet Teaching for Credit", "Filling out Application Forms", "Education Majors in College", "S-MSTA For FTA Members Who Major in Education Plus College Life", and "Public Relations — Teachers and Teacher Professionalism".

The groups had a one hour break, then resumed discussion groups from 1:00 - 1:45 pm. The business meeting was held following that and the students returned to Centralia by 3:15 pm.

The FTA members actively participated in National Education Week which was November 14-20. Pictured on this page are scenes from the FTA Teachers' Breakfast which was held at 7:45 am, Nov. 17.

T'were the Weeks Before Christmas

The Stu-Co sponsored a computer dating matchup service two weeks before Christmas. Interested students completed a questionnaire, and if they wanted to find out who they were compatible with, a fee of \$1.50 was charged. Many students were ecstatic, others appalled, with the results.

FTA members treated each faculty member to a Christmas stocking filled with candy. The teachers received their goodies a few days before Christmas.

The advanced speech classes frequently entertained the faculty and student body during assemblies, and Christmas was not ignored! Two skits were performed on December 22, titled "Elly Mae Comes Home for Christmas" and "This Is Your Life, Santa Claus."

Tom Andes directed the concert and chamber choirs in their presentation of traditional Christmas songs, titled "A Carol of Christmas." The annual Christmas concert was held on December 21.

The brass ensemble accompanied the choir, under the direction of Mr. Brad Moore.

Featured soloists in this year's concert were Sonya Willis, Tony Stuart, Gara Stowers, Lisa Smith, Kirk Arnold, Dan Forrest, and Mark Haubein.

FFA Nets \$1,000 at Annual Wildlife Supper

FFAer's, parents, and sponsors pitched in to prepare for the annual wildlife supper held on Saturday, January 22, in the Centralia High School cafeteria. The ag building was also used to prepare the meals which consisted of opossum, deer loaf, deer burgers, rabbit, squirrel, dove, pork ribs, green beans, corn, mashed potatoes and gravy, cranbury sauce, hot rolls with butter, cake and tea.

Members worked from around 7:00 am to approximately 9:00 pm to get ready. They served some 750 people who attended the supper.

Many agreed that this was the best wildlife supper ever held.

Courtwarming 1983: A Week to Remember

Courtwarming 1983 was held the week of Feb. 7-12 at Centralia High School, with events culminated Feb. 12 with a dance featuring Quadra-Sound.

Louisiana was the opponent in the Courtwarming game, and the girls won, but the boys lost to a strong Bulldog team. At halftime of the girls' contest, Gerry Coleman and Barb Buck were announced to be the new Mr. and Miss Basketball, and during the boys' halftime, Jeff Ward and Tracy Harrison were crowned King and Queen. The seniors won the class competition, with each senior winning a 45 record.

Each day of Courtwarming week, there was a new activity. Monday was "Hug a Basketball Player Day". Tuesday was "Hush Sticker Day", where the guys tried to get any girl wearing a sticker to talk. If she did, he won her sticker. Wednesday was "Reverse Hush Sticker Day", when the girls tried to get the guys to talk. If he did, she won his sticker. Thursday was "Dress Like a Nerd Day", and Friday Was "50's Day".

"Songs" was the theme of this year's Courtwarming, and each class tried to incorporate that theme into their hall decorations and float.

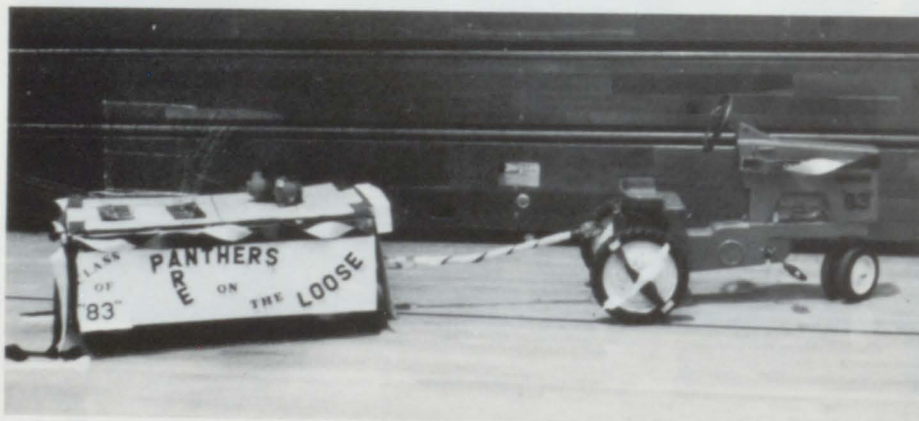

On Friday, Feb. 11, a pep rally was held during the seventh hour. Kirk Arnold won the free throw competition, narrowly beating Kelli Oliver. It was also announced that Marilyn Davenport came the closest to guessing the number of candy kisses in a jar. She took her prize home, the candy and the jar.

VOCATIONAL

National FFA Week was February 20-27. CHS celebrated FFA week in its own special way. Wednesday, February 23, was official dress day. The FFA'ers wore their official outfit, which consisted of FFA jacket, black pants, black socks, white shirt, and FFA official tie.

Educating

Thursday, February 24, a breakfast for teachers and staff was held in the Ag building. The FFA members cooked and served scrambled eggs, pancakes, and coffee. The food was donated by the members. The breakfast lasted from 7:00 am to 8:30 am.

AGRICULTURE

FFA has taught me many things. I have learned a lot through many FFA and Vo. Ag. activities. I attended District and State judging contests, State and National Conventions, worked at the two BOAC projects the chapter did, attended Area IV delegate meetings and banquets, worked at the chapter Wildlife Supper, was assistant chapter treasurer, and am presently the chapter treasurer.

My SOE project the past three years has been to raise and exhibit two or three show steers. This year, I baled and hauled hay and used the money from that to purchase feeder lambs to fatten. Again this year, I am planning to attend the judging contests and convention. I have also applied for the degree of State Farmer. — Bradley Harris

This is my fourth year as an FFA member. This year my SOE project is a small herd of seven regular Angus cows, two sows and their litters, and 30 head of regular Suffolk sheep. FFA has proven to be a very useful organization for me. It has given me a chance to grow in leadership as well as in cooperation. Last year I attained the degree of State Farmer. I am currently President of the Centralia Chapter. I plan to continue my education and career in Agriculture. — Phil Martin

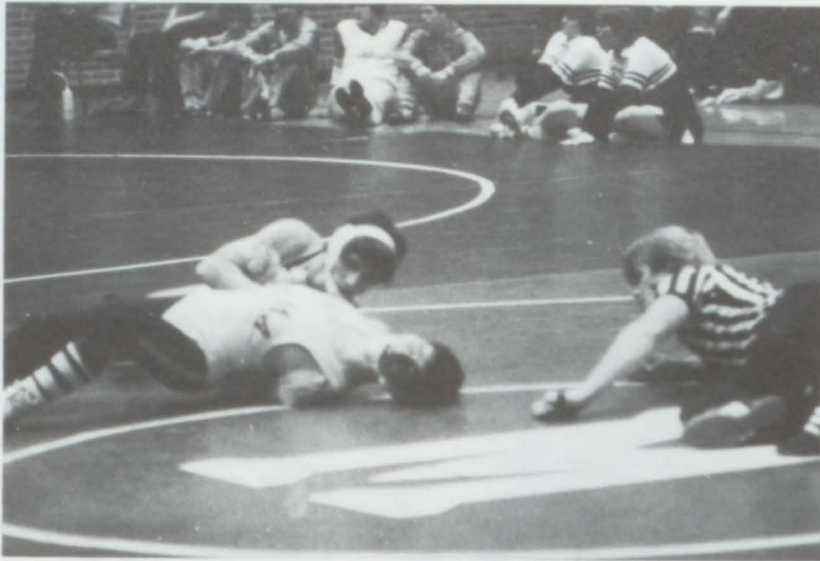

Through

Experience

I'm Vernon Yager. I've been enrolled in Vo. Ag. and FFA for nearly two years. It has been very fun. My SOE project includes sows and market hogs, market steers, and cows and calves. This has helped me learn more about farrowing and management. I've also been to the National and State FFA Convention as a Greenhand. I've also shown calves for the past several years in 4-H and FFA.

Centralia came out the winning team out of three other teams on Saturday, January 8, 1983, in the Centralia Quad. Centralia ended up the victor with 120 points. We won twenty-three matches and only lost ten. Out of the eleven wrestlers, we had six first places and one second place.

Booneville was the second place team with 104 points. Camdenton was third with 100 points and MMA came in last with 98 points.

The Quad started at 12:00 noon and ended around 4:00 that afternoon. There were three rounds with a ten-minute break between the first and second rounds.

Between the second and third rounds, the matwarming celebrations were held. The winners of the contests that were run during Matwarming Week included certain colors for different days and special activities for that day. Monday was "Hug a Wrestler" day, and the color to wear that day was yellow. On Tuesday, purple was worn and the students wore their craziest ties. Legwarmers, crazy socks and the color red were worn on Wednesday. Thursday was the day to get casual with sweatsuits and the color green. On Friday, Centralia's school colors, black and white, finished off the week with spirit.

Centralia Quad Ends Matwarming Week

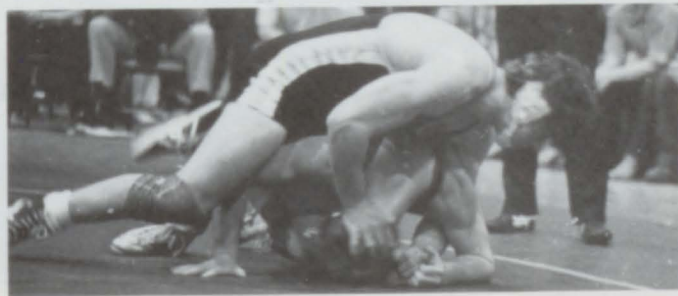

With Brilliant Victory

After the week's announcements, the King and Queen candidates were pronounced. David DeLaRosa and Penny Bloss represented the senior class. Heather Mahieu and Curt Pemberton were candidates for the junior class, and Ron Morse and Dianna Forrest were the sophomore class candidates. Last year's Matwarming King and Queen, Jim Forrest and Joyce Chandler, crowned the new King and Queen, David DeLaRosa and Heather Mahieu.

All District Honors to Coleman and Dziedzic

The agony of defeat was felt by this year's varsity Panther squad as they were unable to win the big games.

The Panthers rolled to an impressive 21-9 overall record, but fell from their district and quarterfinals championship when they traveled to Hearnes and lost to Charleston 30-64 and Logan-Rogersville 47-61.

The boys junior varsity team finalized the season with a 3-11 record, the girls varsity had a 19-7 record, and the girls jv closed the season with a 5-8 record.

Both Centralia teams took second place at the Centralia Invitational tournament and first place in the

With a new lineup consisting of H. Williams, P. Martin, G. Coleman, A. Ausmus, and B. Dziedzic, the Panthers won 9 games in a row starting Feb. 14 against Palmyra.

Gerry Coleman averaged 22.1 points per game and ranked 26th in the state. Coleman was selected as All-Conf. - 1st team, All-Distr. - 1st team, Distr. Player of the year, and All-State-1st team. He scored 664 pts. for the Panthers during the '82-'83 season.

Bruce Dziedzic was also selected All-Conf. and All-Distr., making the 2nd team for both.

Seniors Present Play

Tensions rose Wednesday evening at dress rehearsal, as the third and sixth hour advanced speech kids prepared for the senior play, "Just for Kicks" to be performed Thursday and Friday nights at 7:30 in the high school gym.

Each of the students had his or her job to do, besides his acting role.

Try outs for characters took place in January and play practice started the middle of February. At first, practice was once or twice a week and by the first of April practice was three and four times a week from 6:30 to 9:30 pm.

The advanced speech classes had performed several skits for pep assemblies during the year, but the senior play was something they all waited patiently for, and when the time came for them to get all fired up, they did.

The play was a general success and something that each student who took some part in helping with, was proud of.

"Chippery, Choppity, Chump, here he comes his tail a twirl."

"I'm the leading expert, on FOOT-BALL!"

Mrs. Sherry Davidson summed up the feelings each student shared while working on line memorization, script work and staging. "We're like a family and we all knew there was work to be done, so we did our best to work together and get it done."

The cast members were Julie Shellabarger as Diane, Shelli Ryan as Sue, Phil Martin as Bill, Jeff Ward as Tommy, Penny Bloss as Janet Talber, Kert Hubin as Mr. Thomlin, Kirk Arnold as the principal, Nancy Smith as Cindy, Inger Birkeland as Josephine, Jane Green as the secretary, Jene Thall, as Miss Cather, Lori Rodriguez and Mark Kottwitz as reporters; Tom Buck, Ken Kessler, Kevin Cossey, and Steve Wills were our football players; Jim Forrest and Rob Jones were the other team's players. The cheerleaders were Marilyn Davenport, Joy Jenkins, Jennifer Loch, Kim Eppinger, Lori Boss and Tracy Harrison. Pat Chandler played the squirrel; and Rowdy, Ken Kessler's dog, played the other team's mascot.

The rest of the cast consisted of Mrs. Davidson, teacher and director of the play, and Mary Wormington, student director.

The other jobs performed were lighting by Mike Inlow, Paul Morrow, David DelaRosa, Rob Jones and Tom Flora; set design by Mary Wormington, Inger Birkeland, Kerri Hoffman and Tracy Harrison; make-up by Kerri Hoffman, Tracy Harrison, Marilyn Davenport, Lori Boss, Penny Bloss, and Julie Shellabarger; programs and tickets by Lisa Wisdom, and Nancy Smith and Lori Rodriguez; stage crew by all students, curtain by Tom Buck, costumes by Penny Bloss, set construction by Phil Martin and Bob Benoit; sound system, Bob Benoit; props, Mary Wormington; and the publicity was handled by Tracy Harrison, Lori Boss, Kerri Hoffman, Kim Eppinger, Jene Thall, Julie Shellabarger, Michelle Byrd, Lori Rodriguez, Jennifer Loch, Joy Jenkins, Mary Wormington, Marilyn Davenport, Mike Inlow, Inger Birkeland, Kert Hubin and Tom Flora.

The play was about a small town school with a record of NO wins for its football team. The principal appoints a woman to take over as coach, so that when the team loses this year it won't look so bad. The team members have several plans and work hard to make winners of themselves. At the end of the play the old losing record has been kicked and they learn how to win. The play had humor and also a little romance in it.

These photographs were taken the evening before the play, the night of dress rehearsal. The actors and actresses practiced with their makeup, wore their costumes, and had their first case of stage jitters.

Before Christmas the junior class had decided on this year's prom theme, "Dancin in the Streets." Committees were formed and supplies ordered for the 1983 Junior-Senior Prom.

The week of April 25-29 was the time to begin decorating the CHS cafeteria for the prom. Junior Class members worked from 6:30-9:30 each evening and Friday afternoon to get the cafeteria ready for the night's festivities.

Friday, April 29 at six o'clock p.m. was the junior-senior banquet. It was opened by a welcome to the seniors by Tina George. Shelli Ryan received the welcome. Leslie Popeck was then presented with a floral spring bouquet for all of the time she put into preparations for the evening. Bruce Allen gave the invocation.

The banquet tables were decorated in lavender with a name place for each attending person, along with a memory booklet. The menu consisted of roast beef, ham, corn, fruit jello, hot rolls, chocolate cake, coffee or tea.

Servers were members from the freshman and sophomore classes.

Pictures were taken by David Tawney from Paris. The picture session began at 7:30 p.m. and the dance began at 8:00. Pacific Lights was the band that entertained at the prom. Dancing concluded at midnight.

Phil Martin and Julie Shellabarger were crowned king and queen at 9:45 by Debbie Barnes.

Rate Well in Kirksville

On April 27, 1983, Mr. Phil Gooding and Mr. Ross Littrell accompanied 19 students to the industrial arts contest held in Kirksville, Mo. The students did very well on their projects, on which they spent many hours of preparation.

CHS students entered architectural designs, mechanical designs, a model home, candy dishes, cross bows, and a roll-top desk.

The following entered architectural designs: Inger Birkeland — II; Greg Hagarty — I; Steve Hogan — II; Rob Jones — II; Rod Perkey — II; Jon Angell — I; J.T. Curtis — II; Mark Ramsey — I. Those submitting mechanical drawings were Steve Davis — II; Daaron Dorman — II; Mike Embree — II. Brad Grannis, Daryl Garton, and David Hakekamp entered their model home and received a II. Candy dishes were displayed by Harvey Million and Tom Boren, which received II and I ratings respectively. Mike Swanson entered his roll-top desk and received a II on it. Cross bows were submitted by Phil Hulen and Kenny Burgeson. Both bows received II ratings.

COE Students Show Appreciation for Employers

From the beginning of the 1982-83 school year, the COE students paid a dues of ten dollars a month to provide flowers, invitations, a hog, and other essentials necessary for the success of the COE banquet.

To start the presentation, Jane Green, president of COE, gave a welcoming speech to the students, parents, employers, board and faculty members.

Proceeding the speeches, the prayer was delivered and the future COE students of 1983-84 served the food and drinks.

Mr. Bill Meador entertained the guests by performing magic tricks with the assistance of the audience and COE members.

Yesterday

*I am tomorrow;
the dreams of today.
I am the future;
I'll find a way.
You are yesterday;
gone like our fun.
You are the memories;
fading one by one.
But today when I saw you;
I remembered our past,
We shared something wonderful;
It just didn't last.
I can't stay any longer;
I have to move on.
And look for the future;
Because yesterday is gone.*

22 FTA Members Attend Leadership Conference

On Friday, Oct. 15, twenty-two FTA members and advisor Joyce Loyd attended the 1982 FTA Leadership Conference at Memorial Student Union on the University of Mo. campus.

Following registration and snacks, the general session was held, featuring Dr. Twila Smith from Southwest Baptist University.

The following eight discussion were available to visit: "The Role of the FTA Chapter Advisor", "Conducting a Meeting Using Parliamentary Procedures and the Role of FTA President", "Coping With Teenage Stress", "Cadet Teaching for Credit", "Filling Out Application Forms", "Education Majors in College", "S-MSTA for FTA Members Who Major in Education Plus College Life", and "Public Relations — Teachers and Teach Professionalism."

At Christmas the FTA members made Christmas stockings filled with candy, and distributed these to the faculty members.

They also sponsored a Teacher Breakfast in which all faculty members, administration, and staff members were invited to partake of donuts, coffee, or orange juice before school.

Another activity that the FTA participated in was a balloon send-off. Each member had a balloon with a message enclosed. On the designated day, seventh hour, the students let go of their balloons with hopes of receiving some response soon.

Pictured here are some scenes from the FTA Picnic held at the Centralia Park.

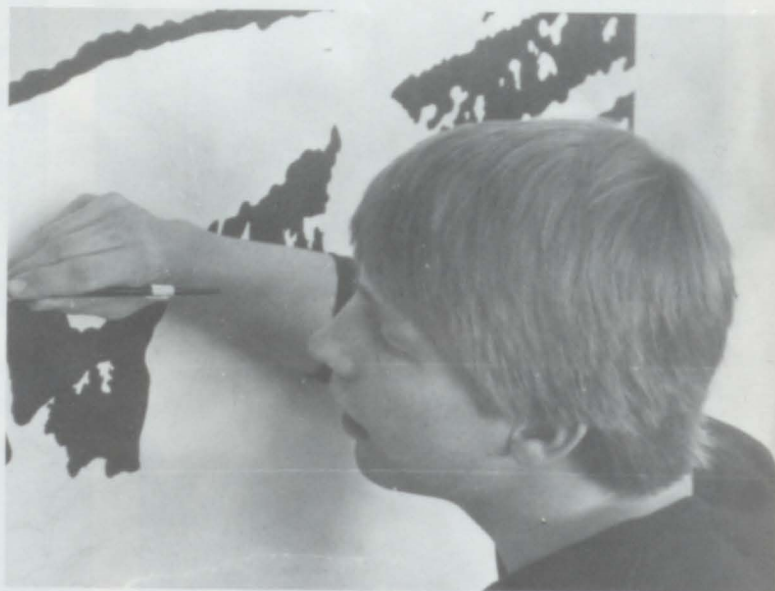

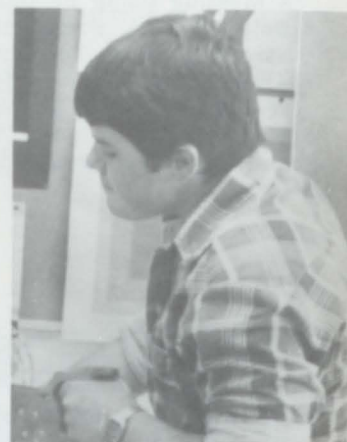

Angell's — Recipient Of Painting

CHS offers five art classes taught by Mrs. Clara Cain. Pictured on this page are some of the art students doing their thing in class.

The classes offered are art fundamentals (charcoal and pencil drawing, tempera painting, sculpture, and print making), ceramics (various projects of forming ceramics by slab, coil, pinch, wheel, mold, glazing techniques, ceramic terminology), 3-D design (wire and plaster sculpture and basket weaving), Drawing I, and Painting I.

Besides working on projects in class, the art students often display their work in the showcase by the office. Jon Angell displayed his painting in Angell's Department and Western Store.

What Is Going On Here?

Stu-Co: The Heart of CHS

The Centralia High School Student Commission is an active one, to say the least. The group is elected in the spring before they are to take office. The summer following their election, the members go to Stu-Co camp. There they learn which responsibilities go with which office, and they learn a number of ways to earn money for their school and how to keep school spirit alive.

At the beginning of the school year, the Stu-Co members draw for Secret Pals, teachers from the high school that they send little secret gifts to throughout the year on special occasions. They also help teachers carry textbooks to their rooms or do odds and ends for teachers the Friday before school starts.

The Stu-Co is responsible for Homecoming and

Courtwarding, many dances throughout the year, selling t-shirts at the Centralia Relays, and making holidays brighter for faculty and students alike.

The Stu-Co also sponsors an AFS weekend. That involves inviting other AFS students from the state of Missouri to visit CHS for a weekend. A breakfast is usually held on Sunday morning after church. On Saturday evening everyone goes to Columbia for a night on the town, and this year on Friday evening a dance was held at the high school.

Pictured on this page are the Stu-Co candidates and Mr. McEntire making speeches at an all-school assembly.

Brady Johnson Qualifies for State

The Centralia varsity golf team, although a relatively young one, had a successful year in 1983. The varsity, consisting of Brady Johnson, Rod Perkey, Tony Chance, Mark Kottwitz, and Bruce Dziedzic, had a respectable record until they faltered in the Clarence Cannon Conference meet. In the 18-hole meet, held at the Centralia Country Club, Monroe City won a playoff against Macon, as both teams were tied at 330 after the 18 holes. Centralia finished three back, at 333. Brady Johnson finished as runner-up medalist, carding a 6-over par 78.

Centralia then traveled to Kirksville, to compete in the district meet. As it turned out, the "home course advantage" was enough, as Kirksville won. Centralia finished a distant fifth, but Brady Johnson's fifth place individual finish qualified him for state competition, in Columbia. In Columbia, Brady shot a 36-hole total of 167 to finish 37th among 95 golfers competing in the tournament.

The Jury Finds The Defendant ..

During the summer, one of the many things Mrs. Bobbie Tetley does is to research court cases. Why? To provide a learning experience like none other for her social studies classes.

The fourth quarter of 1983 for Mrs. Tetley's freshmen was a time of intense study — individually and in groups. For a couple of weeks the students learned court procedures and about the individuals involved in court cases; they studied the responsibilities of each individual.

Students Simulate Trials

Following that, the classes were divided into groups and given actual court cases to simulate. Several weeks of study and preparation took place. Finally the trial dates arrived.

In the past, Channel 8 visited one day at Court, but this spring the kids only videotaped. After the trials were over and the verdicts declared, the students viewed the videotapings of their sessions.

Mahieu, Dollens Advance to State Competition

Gerry Coleman and Teresa Dollens received the MVP awards in track on May 6 at the All-Sports Banquet.

CHS only sent two competitors, Heather Mahieu and Teresa Dollens, to the state high school class 3A track competition May 20 and 21 at Lincoln University. Heather took third placed in the triple jump to receive a medal and also broke a school record which she had set. Teresa failed to advance past the preliminary heats in the 100 meter low hurdles and the 200 meter low hurdles, so she was eliminated from further competition.

93 in Graduating Class of '83

Baccalaureate services were held on May 8, 1983, for the 93 graduating seniors of CHS. Commencement exercises were held on May 11, 1983 in the CHS gymnasium.

Before commencement, seniors could be found in Mrs. Sherry Davidson's classroom, checking for wrinkles in gowns, making sure their caps were sitting properly on their heads, adjusting hairdos, receiving flowers, and hugging each other for possibly the last time. In the hallway more hugging was going on, and parents and grandparents were taking pictures of their son/daughter or grandson/granddaughter.

Marshals for this year were Regina Lawrence and Sarah Gibson. Both girls wore white evening gowns. Before the ceremony began, the marshalls gave out programs to each adult who entered the gym. As the ceremony began, the marshalls led

the processional of seniors into the gymnasium.

Mr. Bob Woods gave the commencement message. Mr. Woods is a professor at NMSU in Kirksville, Mo. Following his speech, Mr. McEntire introduced the honor graduates, announced the valedictorian (Sarah Mitchell) and salutatorian (Phil Martin), and asked those students receiving scholarships, grants, and/or loans to rise and receive applause. Finally diplomas were distributed and the seniors left to go their separate ways.

The band, directed by Mr. Brad Moore, played the processional, the recessional, and one other selection during the ceremony. Senior sponsors helping with the evening's festivities were Mrs. Sherry Davidson, Mrs. Clara Cain, Mrs. Laura Friend, and Mrs. Karen Moore.

Keep up with the Einsteins.

You don't have to be a genius to use an Apple personal computer. But you can start acting like one.

Because Apples are so easy to use and afford that almost half a million people are using them every day. To help them get ahead in business. In school. Even at home.

So come in today for a free demonstration. And we'll show you what it's like to have an 11-pound brain that thinks at the speed of light.

**You
turn
us
on . . .**

When you flick on the lights . . . or turn on the TV . . . or anytime you use electricity to lighten your work and brighten your life.

You have to know us well to see the connection between the switch on your wall and the company called Chance.

It's a long way — sometimes hundreds of miles — from the power plant to the switch at your fingertips. Bridging those miles is an intricate network of electric utility power lines that carry electricity to the switch on your wall.

To build, maintain, operate and control that network, the electric utilities turn to Chance and our thousand-and-one-and then-some products . . . and that's what turns us on, because, you see, we're the people behind the people behind the switch!

The pub. class had only one typewriter on which to type the *Panther Tale* and copy sheets for the *Heliostat*. Pictured here is our faithful Royal typewriter.

Far left: Lori Rodriguez writes copy for the layout she is working on. Right: Mike Embree and Jim Forrest were two of the students who worked in the darkroom. The pub. class prints most of the pictures in the yearbook.

Special thanks go to Mr. Paul Farmer, Mr. Bob Smith, Mr. Dave Tawney, and Mr. Cliff DeLaRosa for photos that they generously donated to be used in the *Heliostat*.
