# every shade of blue and gold *FFA Week*

During FFA week, each day consisted of different and fun activities. Monday was a soup and sandwich supper and auction. Tuesday was the petting zoo and drive your tractor to school. Wednesday was the teacher, merchant, and farmer dinner. On Thursday, FFA members worked at the Central Missouri Food Bank. On Friday, they served ice cream at lunch, and the students wore their FFA t-shirts to school.

## planning committee STUCO plans our year from start to finish.

Student Council plays a large role in what goes on in our school. They plan Homecoming, Courtwarming, pep rallies, senior night, and assemblies. Student Council puts on Battle of the Belt which is to help with wearing your seatbelt while driving. Student Council plans out almost everything we do through the year. Student council does spur of the moment things around the school. They had a surprise for Mrs. Bennett for library week and put on a color dance to go along with Relay For Life. They are who you should thank when you enjoy what's going on in our school.

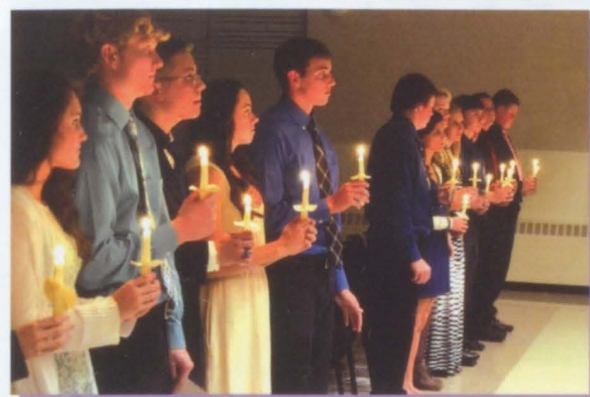

**ringleader.** Danielle Plank (Sr) was the commentator for the Homecoming pep rally.

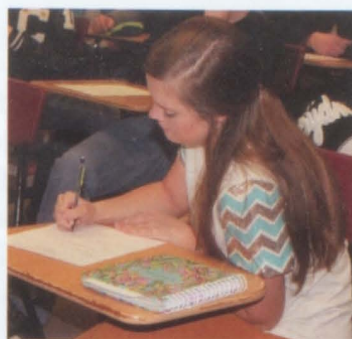

**twins in charge.** Anna Parker (Sr) and Katie Parker (Sr) speak at the Courtwarming assembly.

**not so serious.** Haley Schmersahl (Sr), Sylvia Romine (Sr), Allison Massey (Sr), and Brett Fuller (Sr) pose in front of the refreshment table for the camera at initiation night. "My favorite thing about initiation night was eating cake," said Fuller.

**let your light shine.** When students light their candles, it means that we are giving them the gift of light, knowledge that has been unused. "We all get our names announced and get to light our candles and recite the creed," said Madison Gordon (Jr).

**write it down.** Carrie Drake (Sr) writes down ideas during a meeting. National Honor Society or NHS has meetings on the second Friday of every month. Their goal is do a community service once a month. They did the NHS Blood Drive, collected books for Parents as Teachers, and are going to make sandwiches at the Relay For Life.

Joining NHS isn't like joining any other club. There are qualifications you have to meet in order to be a member. You must have a GPA higher than 3.3, and you have to be approved by a faculty committee.

### the one in charge

Carrie Drake is not just a member of NHS; she is the secretary. "I am in charge of making the meeting agendas, contacting supervisors to set up service activities, and to remind members of meetings or other organizational activities," said Drake (Sr).

**welcome.** Madison Schmidt (Jr), Alexis Armontrout (Jr), Jenna Rakers (Jr), Amanda McCoy (Jr), Madison Gordon (Jr), and Abigael Dollens (Jr) Logan Ross (Jr), Jacob Jennings (Jr), Chase Harper (Jr), Adam Richterkessing (Jr), Riley Salisbury (Jr), Nick Romine (Jr), Ryan Lincoln (Jr) were initiated on November 3, 2014.

### what do you enjoy most about NHS? why?

"I enjoy all of the community activities that NHS does throughout the year. I'm also very blessed to be in a very caring group as well."

- Keri Daughenbaugh (Sr)

"I enjoy helping others. I have always been an unselfish person, and NHS has really let me portray that to classmates and the community."

- Lance Leverenz (Sr)

"My favorite part about NHS is that we get the chance to go out in our community and help the people in it."

-Will Mustain (Sr)

"Blow drying Lauren Hall after she fell in a puddle on the way to studio night was probably the weirdest thing."

Drama Club had a completely unexpected year. The club had a huge turn out compared to past year's club. Normally, they have six or seven members, but this year they had fifteen members. They put on one of the biggest plays they have ever done this year. *The Miracle Worker* was a play about Helen Keller, and according to Brady McDowell (Sr), it was, "The most substantial thing Drama Club ever did." Amanda O'Loughlin (Sr) and McDowell even had to learn sign language for their roles. McDowell (Sr) says, "It's an experience we will never forget." The Drama Club put in a lot of effort through out the year and took on huge roles and put on amazing and moving play.

**and wave.** Jared O'Loughlin (Fr) waves to the crowd in an Art Club decorated shirt.

**it's not all fun and games.** Although Art Club members are always smiling, they also stress over deadlines and work hard not only for their own projects but for other people too. Art Club helps Mrs. Rolfson every year with painting and getting ready for musical. **two against one.** Dylan Beasley (Fr) takes down Derek Calhoun (Fr) while Jared O'Loughlin (Fr) assists. **getting it done.** Sydney Miller (Jr) focuses on finishing the sets for the play. **en garde.** Jared O'Loughlin (Fr) and Derik Prange (So) face off in a Sharpie battle.

**the time of our lives.** Lauren Hall (So) and Brittany Coleman (Jr) have a nice laugh together.

## there are no breaks

**dedication.** Sara Creason (So) works hard to put together a handmade card for a project that Art Club was putting together. **critique.** Mrs. Renaud helps Kiana Arends (Sr) put the final touches on a piece for an art competition. Each year, the Art Club does projects and enters competitions, constantly trying to make money for the art program. They come up with creative ways to display their talents.

**all or nothing.** Members Danny Hoek (Sr), Caleb Graham (Jr), Rachel Million (Sr), Dakota Wilson (Sr), Daymond Dollens (Sr), and Lane Schnell (Sr) are prepared for the competition at Missouri S&T. They are armed with their calculators and notebooks, ready to defeat the opposing schools.

tradition

Daymond Dollens (Sr), Jacob Jennings (Jr), and Alexis Armontrout (Jr) did a great job showing their support for the Children's Hospital. Every year, the SKRUBS organization puts on a Sadie Hawkins dance as a fundraiser for the Children's Hospital in Columbia, MO. The organization signs up for a program where a picture of a child is given to that organization of the child their money is supporting. All the money made from that dance goes directly to a little kid in need. That money helps pay for treatment along with extra items such as toys, pillows, and blankets. The Sadie Hawkins dance is a great way to get the whole school involved into this great cause. This night was filled with joyful music along with fun and laughter. There is nothing better than the feeling of supporting someone who needs the support. This activity also reminds the students of how fortunate they are. The students along with the staff look forward to this "rockin" night every year.

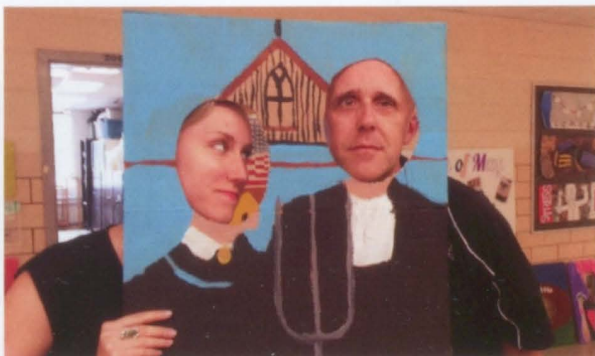

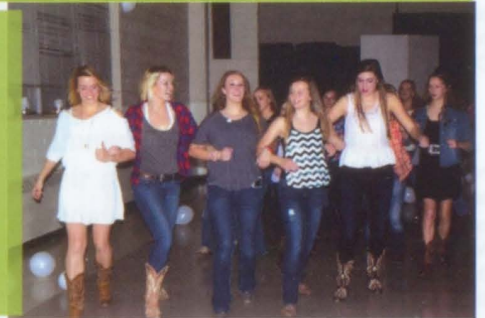

**sadie royalty.** This year, Cowboy went to Logan Armontrout and Cowgirl went to Carrie Drake.

**a helping hand.** Beta Chi Pi senior members Anna Parker, Katie Parker, Dani Plank, Morgan Horn, and Bailey Jerome help raise money by dancing the night away at Sadie Hawkins.

Beta Chi Pi members made this photo prop as a photo shot for Sadie. Here we have Mrs. Renaud and Mr. Martin goofing around before Sadie and taking this lovely picture.

"It's a great way to meet new people and learn about the Bible. FCA brings people together"

-Haley Schmersahl (Sr)

"Well, me and Amanda McCoy started it at the high school because we wanted a place/organization that helps support Christian athletes and anyone else that needed encouragement."

-Logan Ross (Jr)

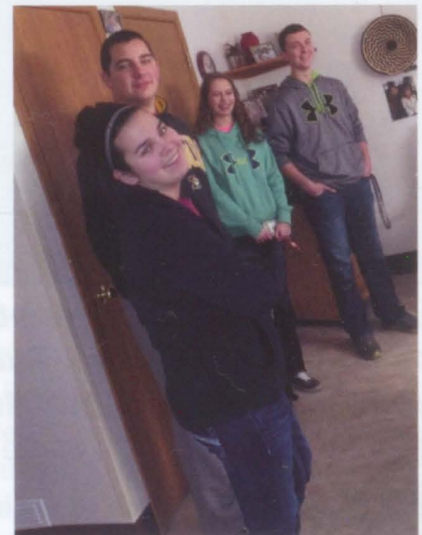

## fca fellowship of christian athletes

FCA is a new group to Centralia that helps the student body express their views and have a safe environment to do so. It is a student-led organization that was started by Logan Ross (Jr) and Amanda McCoy (Jr). The group of students meet during the mornings in the gym and have a guest speaker who would give them a lesson to go by that week during the school. McCoy said, "I really enjoyed having the ability to help run this group of students, and I think that it was a good experience for the school as a whole." Although FCA didn't have activities for the entire school to participate in, it adds a new dimension of organization the CHS student body can participate in.

## Community Help

Throughout the year, FCA took the time to spread good throughout the community. Sam Huff (So), Logan Ross (Jr), Cayla Davis (So), and Bryce Logsdon (Jr) went to the Stuart House during Valentine's day to show care to the residents. They went several times throughout the year to visit and to play games with them such as BINGO.

## community help

STATUS members do many things throughout the year to help not only the student body of Centralia High but also the entire community as a whole. To show their membership to the club, students ordered t-shirts so everyone would know who they were. Jennifer Horton (Jr) supports her organization.

**prom party.** STATUS club planned an after prom party to help keep high school teens from choosing alcohol and drugs as an after prom activity. It was from midnight to 4 a.m. with a pool and a movie room to hang out with friends for the night.

"I have a strong passion against drug usage. I joined STATUS, so I could join a responsible organization."  
-Keri Daughenbaugh (Sr)

"I think drug awareness and the prevention of drugs in the school is very important, so that's what interested me to join STATUS."

-McKenzi Redington (So)

"I think its an important cause, especially for teenagers to know about, and I wanted to be a part of that."

for students who enjoy reading

Having Book Club in our school is a great activity that gives students a chance to come together and talk about the books they have read and get a new outlook. Book Club does many other things as a group as well. They get together at least once a month to do activities among the public. They did a teen tech week activity at the Centralia Public Library, and this summer, they are going to be a part of the fiction fest also held at the Centralia library. Book Club gets students out there Ariana McKenney said, "I love being apart of Book Club because I love reading, and it gives me something to do with the people who also enjoy the same thing."

## the learning process

**acting our age.** Jeana Calloway-Hodson and Keri Daughenbaugh (Sr) have a good laugh during one of their meetings. Although it is not all fun and games, the FTA group works together to talk about the new needs of teachers and the way the classrooms are changing. Daughenbaugh said, "With the new technology school are bringing in, it requires us find new ways to teach the students."

## stress leads to perfection

first championship since 1999

The squad worked all summer to get into shape, waking up at 6:00am to go workout together.

Junior Alex Hainer said, "The hardest thing I had to do was tumbling because not only is it a physical challenge but mental too."

All of the girls took the time to sign up for tumbling classes to better themselves and the squad as a whole.

Just two weeks before state competition, Beka Tratchel was working to perfect her back handspring when she broke her arm.

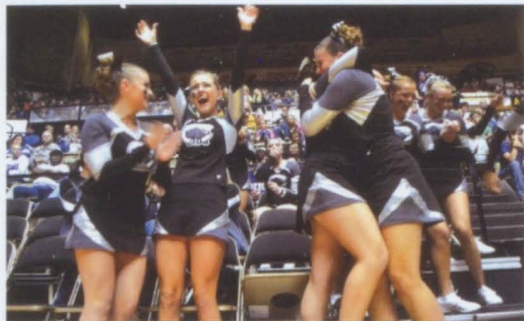

Tratchel said, "The hardest thing about breaking my arm was having to watch everyone do the things that I couldn't."

After Tratchel was out, Hope Dell had to step in and learn the entire routine. When it was time, all ten of the girls went out and laid all they had on the mat, and it paid off when they announced the winners.

Luedloff said, "Nothing can compare to the feeling that I got knowing that I was leading state champs. It was honestly like leading troops into battle."

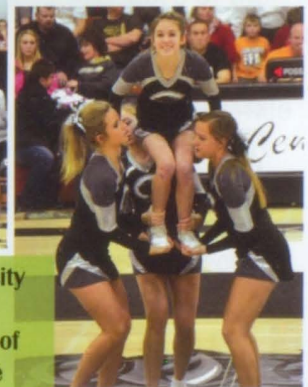

**moving on up.** Junior Varsity cheerleading squad goes to competition for the first time ever. Sacrificing their summer to be with the other girls on the squad to learn and perfect their routine paid off when they won first place at the regional competition.

**3** Will Mustain (Sr) said, "Frustrating Mr. Kennedy on many occasions."

**4** Rachel Million (Sr) said, "Anytime you don't know the answer but you guess and it's the right answer. It makes you feel uncomfortable."

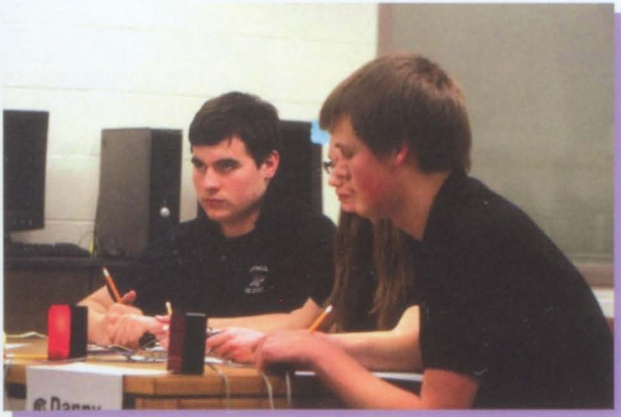

**5** Patrick Bentlage (Fr) said, "Ms. Tiesing walked into the classroom laughing, and I said, 'Look, Ms. Tiesing is smiling. Maybe she'll beat us today.' Now we always make jokes about her beating us at quiz bowl. She doesn't."

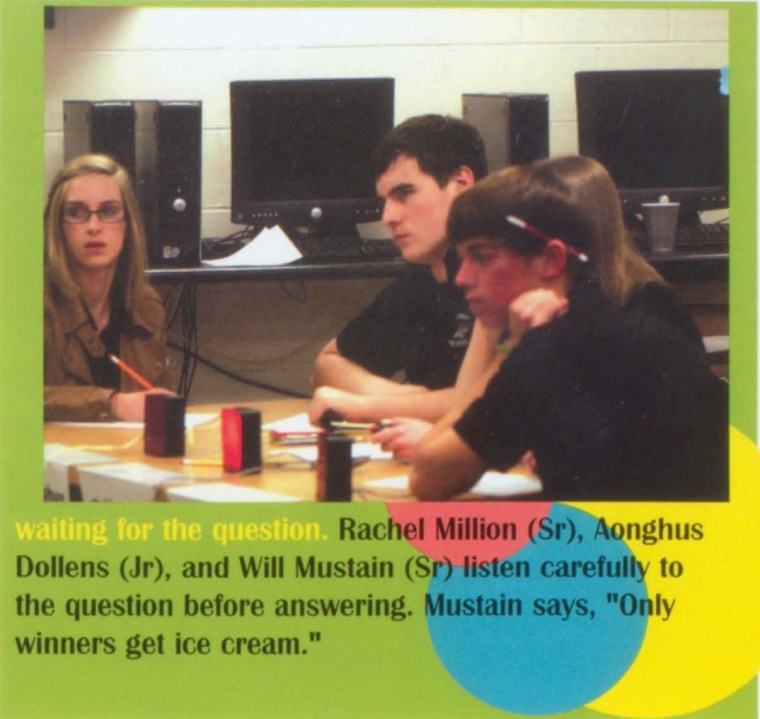

**keep on keepin' on.** The Quiz Bowl members, Patrick Bentlage (Fr), Sarah Oliver (So), Caden Bird (Fr), and Grant Kropf (Fr) keep their brains going as they wait for the question.

**always knowing the crazy facts.** Every student in CHS knows if they ever have a question about a weird topic, they can go to a Quiz Bowl member and get the most detailed answer possible. In the 2014-2015 school year, Quiz Bowl gained many of newcomers. Every single student is a huge asset to the team, and they would not be the same if they did not have all the varied characteristics they have in one room. The students involved never stop studying, Kate Ray (Jr) said, " My favorite part about Quiz Bowl is not only the fun I have with a great group of friends but also the monstrous snack table."

**waiting for the question.** Rachel Million (Sr), Aonghus Dollens (Jr), and Will Mustain (Sr) listen carefully to the question before answering. Mustain says, "Only winners get ice cream."

**keepin' score helping out.** Brandon Moore (So) keeps the score of the Varsity Quiz Bowl match. Each member takes turns marking the score on the board while the other team goes. Moore says, "Quiz Bowl is like a clock, if all the parts aren't working together correctly, then it's only right twice a day."

**thinking hard.** Grant Kropf (Fr) , and Brandon Moore (Fr) tries to work out a math problem that was given to them. Kropf said, "The hardest thing about being in quiz bowl would be all of the studying you have to do to prepare for a match and the fear of the other teams being really good."

**focused.** Rachel Million (Sr) works hard to find the answer before the other team. Million says, "I loved when I wasn't sure about the question but I answered right."

## the season no one expected

more than one kind of loss

It was never an easy season. The football boys had a rough time from the start. Even without having the perfect season everyone was hoping for, the boys always kept a positive attitude. Despite their 4-7 record, captains Logan Armontrout (Sr), Jacob Lewis (Sr), Brent Dowell (Sr), and Ethan Leighton (Sr) were constantly encouraging the boys to always keep their heads held high. They called several late night meetings after practices that sparked a will to fight for more. Even with their losses, the boys were something to be proud of for constantly pushing forward.

## keep going

break through.

Brent Dowell (Sr) tears through the banner at the first home game against Highland. Dowell was the first to break the banner starting each game. "I wanted it to be my break through season. I made it literal," says Dowell.

Years of being called at the middle school, asking if I could find a gate/game duty person for a vacancy that he can't fill... "Hey, Buddy!" -Terri Motley

I have known him my entire teaching career. He is a good level headed person who has always had the best interest of the kids in mind. -Mike Hann

He made my two years at Centralia worth it. When I found out he was leaving, I decided I had to leave too. The hallways would be so painful. -Kristy Tiesing

It's hard to sum up my thoughts about him. Way too many memories to count. I value his leadership, his sense of humor, his diligence, but most of all his friendship. He will truly be missed next year. -Tonya Dimmitt

He is one of the smartest people I have ever known. We were lucky to have him as an administrator. He is not only a great leader but a better friend. -Nathan Gordon

He gave me the opportunity to move my family to Centralia, so my kids can grow up with their extended family. -Jason Watermann

SORRY!  
-Cathy Colston

I really liked how he posted that thing on Whisper; there is no other principal that would do something like that. -Seth Cooke

Mrs. Patton and Mrs. Sebben have an interesting approach to classroom teaching. For one unit, the two teachers took the sophomore class to the Holocaust Museum in St. Louis. There, they got to talk to and ask questions to a real life survivor of the Holocaust.

freshmen life

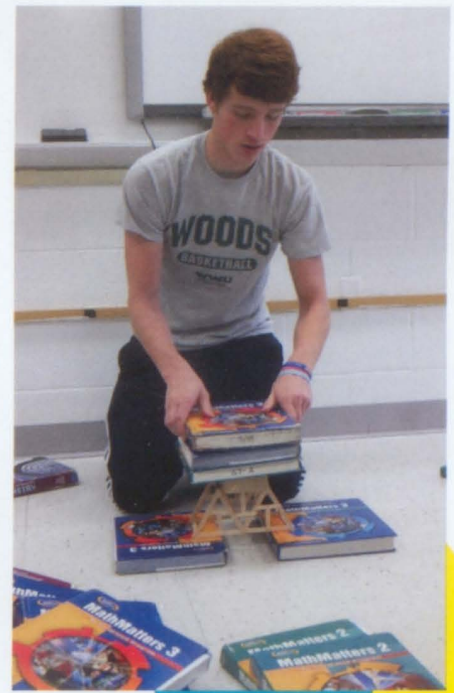

## switch your style

Another course many freshmen and sophomores take is P.E. Students get to participate in a variety of activities from swimming to running to a game Mr. Finlay makes up. Students got a chance to try out their archery skills. **draw.** Corbin Dean (Fr) takes some last minute advice from Coach Finlay before releasing his arrow. **taking aim.** Mary Sullivan (Fr) tries to nock her arrow, waiting for a turn. Mykaela Gallegos (Fr) watches her classmates as they attempt to hit the bullseye.

## build it

**smashing his hard work.** Jonathan Randolph (So) piles books on top of bridge to get it to collapse. Randolph said, "Building our bridges was my favorite part of geometry." All freshmen and sophomores are expected to take a math course.

## nap time?

Kellyn Vega (Fr) and Emily Greene (Fr) take a little break from their P.E. class to take a nap using their backpacks as pillows.

## struggle before success

Katelyn Rakers (Fr) and Jaymi Freeman (Fr) struggle to achieve the perfect piggy-back ride while goofing off in P.E.

what's your favorite class and why?

"Art because it is a great way to express yourself without getting judged by others."  
-MariEllen Noonan (Jr)

"Comp because the teacher is hilarious."  
-Sydney Olsen (Sr)

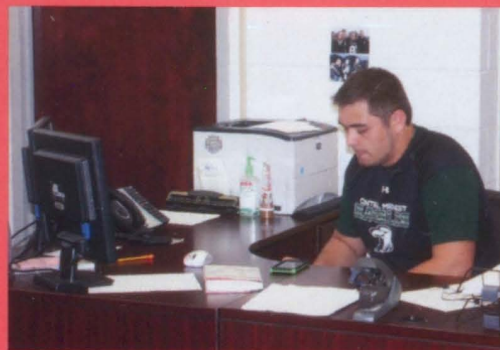

"The Senior class because we rock!"  
-Lauren Million (Sr)

**slam dunk.** Coltan Adkisson (Sr) dunks on one of the bounce houses that were present on Relay Recess.

## a day in the life

One class that students can only take when they become seniors is Senior Service Project. This course is devoted to serving the community. The class decided to host Relay for Life this year. To prepare for the even, the Senior Service class hosted a Relay Recess which is a day filled with activities to help the little kids gain a better understanding of what cancer is. The intermediate kids, which are grades 3 through 5, came to the high school. They got to participate in a variety of activities that were both fun and educational. The seniors work very hard to organize Relay for Life every year.

**all work and no play.** Brent Dowell (Sr) is taking a break while working in the office.

**office worker?** Alli Massey (Sr) gets caught scrolling through her phone while taking a break.

what's your favorite class and why?

"My senior internship because I get to learn new things and get to experience what it's like to work in a pharmacy."  
-Keirstyn Spears (Sr)

"Personal Finance because it's interesting to learn things that apply to you currently or in the near future that can decide you financial well-being for the rest of your life."  
-Nick Romine (Jr)

"American Literature because it's always a blast and, there is never a dull moment."  
-Anna Wilkerson (Jr)

"Advanced Lifetime because it's seniors only, and it's fun to have one more class with everyone I've grown up with."  
-Kelsi Whitaker (Sr)

## seniors only when it comes to officer workers

Certain classes are only available to students when they become seniors. Teacher's Assistants, Internship, and Office Workers are just a few. Students work to answer phones, run errands, and sort mail to name a few of their jobs. Centralia is known for its hard working and dedicated students, but every now and then they need a much needed break.

what's your advice to upcoming freshmen?

"Stay focused and enjoy it while it lasts. High school is the best four years of your life."  
-Bella Beard (Sr)

"It goes by fast, so cherish it."  
-Hanah Speelman (Sr)

"Walk fast in the hallway. Be yourself and don't do anything you don't want to do. Don't get upset when your friend groups get smaller. Sometimes it's a good thing!"  
-Keri Daughenbaugh (Sr)

## Courtney Lipford wins Hart Award

On April 29, Courtney Lipford (Sr) was awarded the Hart Award. "I had to go in front of a panel of three judges, and I showed them how to wrap a perm and the chemical reactions that go along with it," says Lipford. Lipford enjoys Vo-Tech and the experience it gives to high school students. "It provides an experience for high school students to be able to go into their field of choice right after school instead of having to wait another couple years."

what's the most embarrassing thing that's happened to you?

## small towns & big traditions

**it's always done the same.** Homecoming is a tradition that has been around for years. It is all kind of a big deal. Some people think it is stupid, while others go all out every year. From the flashlight parade to the pep assembly to the to the bonfire and more, Homecoming is where this whole small town comes together every year in an extravagant way. 2014 Homecoming was all about The Greatest Show On Earth. The whole town was one big circus all week ready for the big show on Friday night. Bright lights and school spirit, that's what Homecoming is all about.

**royalty.** Homecoming King Ethan Leighton and Queen Bailey Jerome are crowned at the homecoming dance on the stage.

In some schools, if you asked about Courtwarming and Matwarming, they would not know what you are talking about. In Centralia, Courtwarming and Matwarming is one of the traditions that we expect every year. For one week in second semester, we celebrate the wrestlers and basketball players in our school. Blaine Arp (Sr) said, "My favorite thing would be all of the hype going into the match." Students participate in spirit week, and StuCo hosts a pep Rally. It is a great week of memories for all. Erica Arens (Sr) noted, "My favorite memory from Courtwarming would have to be choreographing the cheerleading routine."

## candidates

**senior candidates.** Jacob Gramke, Blaine Arp, Ethan Leighton, and Dalton Matthieson were all candidates for Matwarming king. Liz Gilbert was a candidate for queen.

**from the court to the coronation.** Erica Arens (Sr), Ariana McKenney (Sr), Kailee Chitwood (Sr), Allison Massey (Sr), Whitney Noonan (Sr), Nick Miller (Sr), Lance Leverenz (Sr), Daymond Dollens (Sr), Logan Armontrout (Sr), and Conner Hardman (Sr) were dressed up for the Courtwarming dance.

**spirit week.** The week before Courtwarming, Stu-Co sets up dress up days to get everyone in the spirit and ready to cheer on the players at the Courtwarming game. Stu-Co put on a pep assembly for Courtwarming and Matwarming. At the assembly, they had all of the different clubs make a cart and do a shopping cart parade. The people pushing the cart dressed up and decorated their cart as a board game.

# get in tune with the melody

**starting fresh.** The 2014-2015 band got another new band director. Although it is hard adjusting, Mr. Yancey did a great job at learning all of his students and the CHS traditions. The band went to marching competitions, and even though they did not always do the best, they were constantly improving. Every morning, the band would wake up and have practice outside in all different weather conditions to work to get better. The band students went to home basketball games and played pep tunes and were constantly trying to pump up the students during assemblies. The motivation and dedication of the students gave band the name it has today.

"It's a fun time for all the fine arts students to get together and form friendships while performing the play," says Salisbury. From the singing in the halls to the performance on the stage, the entire performance was a work of art and a beautiful night to attend.

The gymnasium at Centralia High School was filled to capacity as bad weather forced the intended outdoor graduation of the Class of 2015 indoors.

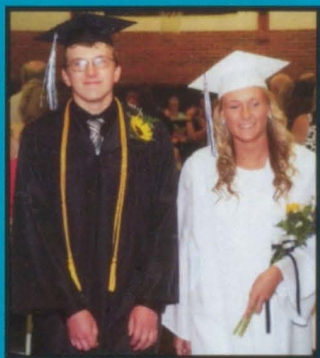

Traditions continued as the senior girls wore their white caps and gowns, and the boys wore their black ones.

Bright yellow sunflowers were the centerpiece of the flowers the graduates selected as their class flower.

Another tradition is to have two members of the senior class deliver speeches during graduation. Austin Stanton and Sam Sudbrock talked to their classmates about choices they have for their futures.

While the weather outside might not have been what the graduates wanted, the celebration inside was everything they could have hoped for.

## Lane Schnell

Dear Lane,

Where has the time gone? On your first day of kindergarten, 2015 seemed so far away, but here it is, your senior year. I find myself wondering, "Where is that little boy I called "Mr. Short Britches" who would go out and pick me beautiful "yellow" flowers that grew in the yard each spring? Or who flung brownie batter all over the kitchen ceiling? Who loved the watch *Clifford the Big Red Dog* and named his own puppy Clifford? Or who would pretend he was on Gilligan's Island while boating at Table Rock Lake? And how he could get dad to stop and eat! The hungrier the chattier...(HA) Well, I will tell you, that little boy has turned into a fine young man who makes us very proud to call our son. You are a hard worker, faithful, and honest. Stay true to Jesus and always make Him a part of your life. Choose your friends carefully. We love you and always will.
